

GEMS WESTMINSTER SCHOOL, SHARJAH

Newsletter Issue #31
20th May, 2021

Message from the Principal/CEO Ms. Valerie Thompson

Dear WSS Parents,

Critical: Pending Fees

Many thanks to those parents who have cleared Term 3 fees. We really appreciate your considerate support to enable smooth school operation. We hate to have to follow-up regarding fees, however, we need fees cleared in a timely manner to enable us to continue to fully operate the school, pay our bills, teachers & other staff, & ensure we are able to deliver your children's educational programme. Pending fees remains a **HUGE problem** with some Term 2 fees still pending! Our only income is through parents clearing fees in a timely manner, so do please do the needful urgently. Thank you.

SPEA 'Stay at Home if Unwell' Policy

Sending a sick child (or having **any one COVID symptom**) to school threatens the health of the whole WSS community. You must **keep your sick child at home**. Please note the Authority's rule is that a sick child having any one COVID symptom has to **be collected from school within 30 minutes**, take a PCR test & bring a Medical Certificate before returning to school, which may be inconvenient to parents. Stay safe, & help to keep us all safe! Thank you.

Dates for Your Diary

| Date | Details |
|----------------------------|--|
| Sunday 20th June | <ul style="list-style-type: none"> Deadline to apply for a TC if leaving WSS is Sunday 20th June. After this date the GRE is not available for late TC processing & there would be delays in processing. |
| Thurs. 1st July | <ul style="list-style-type: none"> Students' last day of the academic year (TBC). Seats will not be held beyond the last day of T3 if T3 fees remain pending. Any paid Seat Booking Fee would be lost. Seats would be given to the Waiting list, & if parents decide later that they want a seat, this would be subject to availability, & not guaranteed. You may change your mind about enrolment at WSS at any time, however the seat booking fee is non-refundable (but deductible from T1 Fees, Sept-Dec. '21). |
| From Sunday 29th Aug. 2021 | <ul style="list-style-type: none"> The new Academic Year 2021-2022 starts. Students who have travelled must have completed 10 days' quarantine before rejoining school. All students over 12 years must bring a negative PCR Test (validity 72 hours) to rejoin school. Full T1 fees are due before any student is assigned a class & admitted for the new academic year. Please Budget accordingly—there will be no Payment Plans in T1. |

Our Vision; 'Excellence Through Teamwork; Success For All'

The Learning Survey

Professor John Hattie, Stephen Cox and Anne-Marie Duguid invite you to be part of the first and largest student survey that focuses purely on learning

Personalisation of
Learning & Student
Voice; survey coming
shortly!

Take part in the biggest ever global survey of student learning

Take part in the September Learning Survey

The concept of a large scale, international survey of student learning grew out of the Trusts for Impact movement, which was formed from a core group of education leaders wanting to shape and value what we measure in education and not solely rely on examination performance and the acquisition of knowledge. In these challenging and changing times trusting our profession to make the right judgements about the right things is essential.

The starting point must be the pupils and their learning

From this basis the founding members and extended group of Trusts for Impact co-created the narrative and learning survey over the last year using the research, student focus groups, iterative group discussions.

From the survey results we will build our own internal database and make properly informed decisions to improve learning and the life chances of our students. We can allow success to be measured over time in a defensible way. Globally we can define a new dashboard and a different discourse around learning.

Please join us and be part of the largest global survey of student learning ever

Primary Section News; 'Read Aloud' Initiative with AUS!

G2/Y3 D2

A collaborative reading session was organized with Ms. Erica and her team from American University Sharjah & some of our Primary students. The session was appreciated and value-adding. The Read Aloud Session and the activity sessions saw students learn in small groups & interact with one other, which provided students with a greater degree of engagement with one another. There was ample scope for a one-to-one interaction which enabled students to share their opinions and feelings. Overall, it was a unique experience for all involved and the students enjoyed every bit of it.

This is the feedback from the AUS organiser, Ms. Erica, "...I want to send my deepest gratitude to both you and all the Westminster teachers involved in helping us to pull off this little program. I cannot adequately express how impressed I am with their commitment and care in collaboration. All of our AUS students left the classroom with big smiles after the read-aloud time. According to our short assessment, nearly all 2nd graders (Y3) participated and engaged in discussion during the breakout sessions. It was such a joy...."

Reading Lesson with AUS Team

G2/Y3 students share their experience of the 'Read Aloud' activity with AUS. Thank you AUS!!

Students' Voice!

Marwan Hamida

This makes an excellent impression, it is a professionally presented plan. It was an amazing lesson and I have a new friend.

Ali

That reading lesson was amazing and I really appreciate it so much of them and they are so nice

Sashen mindula

The reading lesson was fun and entertaining. We read stories with the AUS team. I learned that it was fun to go to space.

Liam Tian

The reading lesson was very fun and entertaining. I learned about why do sunflowers like the sun and discovered that the sunflowers were following where the sun was going and is called "heliotropism."

Avni

It was amazing and I loved it. We talked and we read a story it was the best reading lesson.

Judy

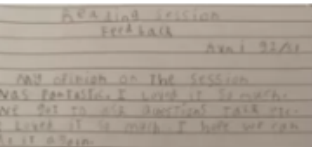

It was awesome, I loved it even in the rooms we read a funny story. That day was the best day ever we even

meher

I loved it. It was so fun and I want to do it again next Sunday. It was an interesting lesson and less tiring. It was the best session ever

Mark

It was the best lesson ever and I liked the story

Virat Kaler

The reading lesson was so fun and we read stories about sunflowers with our guest Mr. Amir from American university. It was informative and enjoyable.

Alishba

I loved the reading lesson. It was so much fun and I like the story. I read Henny Penny it was a very funny. I love that we get to read books and ask questions of the story and the story was really funny and that's all.

Shrehoshi

It was an amazing reading class. The collage students were kind

Aanayah Naseem

It was the best reading lesson ever we had so much fun. We read stories and they were fun stories. Mr. Amir was very kind and funny.

Youssef

It was fun we read story together and discussed.

Nouran

It was one of the best lessons ever it was amazing.

SAIF AHMED

It was the best lesson in the year with very nice activities.

Prince

The reading lesson is amazing and read the stories.

Matab

In reading lesson I enjoyed a lot. It was a different lesson with fun.

Trevonn

The reading lesson was fun and good. The best part was the story it was so funny.

Azfar ms 1 was so fun to learn with we read a story about a person who thought she was gonna be a student but she was a teacher the youngest and I answered 2 questions and I hope I meet her again

Muhammad Kashi

Ayan

I was happy and I even learned a new topic it was fun. And Amir and Hania we're also felt happy our topic was about a sunflower. We even read a story and we even discuss a little bit it was a lot of fun

Nairah

It was really a good class. I had a lot of fun. But they could not see my conversation in the chat unfortunately. I would love to do it again. Thank you.

areesha

It was very fun and she was really kind as well and the story was about the sun and the wind and the sun the sun and the wind were in a fight and the wind wanted to show how strong he was and then the wind tried to prove how good they were but the wind lost

Habeeba

She was sooooo kind and she was funny I was sooooo happy but I was sad because it is done.

Alaa

I was so happy about my teacher she gives me fun and my friend they are so nice and the teacher.

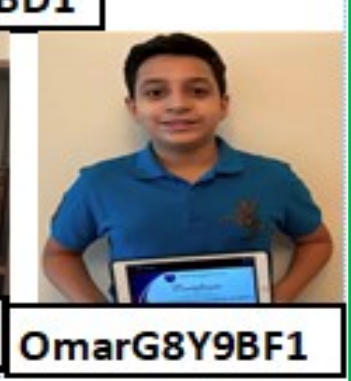

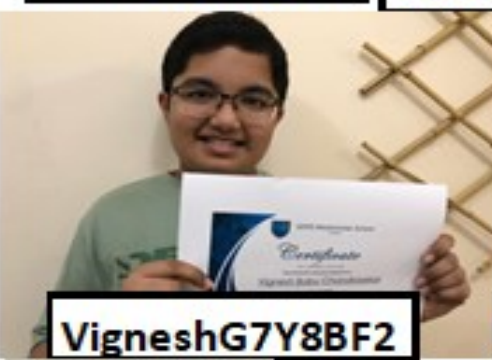

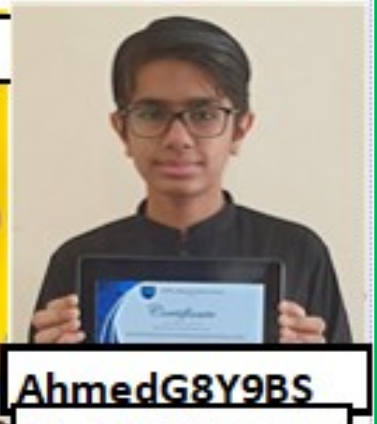

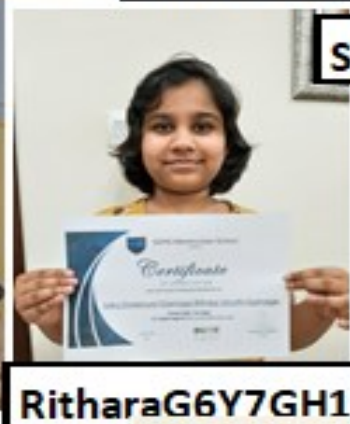

Annapoorna

I had a lot of fun.

وسائل الإعلام قديما

Ayesha Tazeem – 8GF1

وسائل الإعلام قديما

لقد تطورت التكنولوجيا مع الوقت الإضائي ، تمامًا كما طور البشر العمل الإضائي ، وكان المقصود من التكنولوجيا في الماضي ببساطة مساعدة المجتمع في حل المشكلات ، مثل إنشاء مصباح ضوئي بدلاً من ضوء الشموع .. توماس إديسون المخترع الأمريكي الذي كان مخترع الإنترنت ، وقد غير حياتنا ، حقًا

أنواع التكنولوجيا القديمة تشمل التلغراف ، الهاتف القديم حمام الراحلي ، والمفضل لدى هو حمام الراحلي،

الآن ، نستخدم مكالمات الهاتف والفيديو للتواصل. لكن في الماضي ، كان الناس إما يكتبون رسالة أو يسافرون إلى الآخرين لأن هذه كانت الطريقة الوحيدة للتواصل

لم جاءت التلغراف وبدأ الناس في استخدامها كثيرًا وسهل التواصل مع أقاربهم ولكنها كانت آه كبيرة وكان من الصعب حملها

ثم جاءت الهواتف التي جعلت الاتصال أسهل كثيرًا ولكنها كانت متصلة بسلك بحيث لا يمكنها حملها ولكنها كانت سهلة الاستخدام

وسائل الإعلام قديما

يمكن تعريف الاتصال التقليدي بأنه الفعل المادي لنقل المعلومات. نتحدث ونسمع ونرسل ونستقبل الرسائل النصية والغوية ، ونقل البريد الإلكتروني. نخرط في محادثات هاتفية. والراديو والتلفزيون ؛ نقرأ ونكتب. MP3 نستمتع إلى ملفات

والبلك نظرة إلى الوراء على شكلها ، وتطور كيفية تواصلنا. إشارات الدخان. استخدمها قبائل السكان الأصليين في القرن السادس عشر. آخر حمامة. استخدمه الرومان منذ أكثر من 2000 عام. البريد الحزبون. أقدم قطعة بريد باقية من 255 قبل الميلاد. التلغراف الكهربائي. ... هاتف. ... الرسائل النصية. ... مراسلة الفيديو.

في رأيي ، كانت أفضل طريقة للتواصل هي التلغراف

ZAINAB ZUBAIR AHMAD
8GF1/29

وسائل الإعلام قديما

- مرحبًا بالجميع ، في الماضي كان الناس لا يملكون هاتفًا أو أيباد ولكن كان عليهم أيضًا التواصل مع العائلة لمعرفة المعلومات المهمة. تعال أولاً الحمام ، تم تأتي المهور
- بالنسبة لمعظم تاريخ البشرية ، من أجل إرسال رسالة إلى شخص ما ، كنت بحاجة إلى توصيلها فعليًا. كان الصراخ مقيماً للجيران المجاورين ، ولكن على مسافة أبعد ، كان من الضروري إيجاد حل آخر. في وقت مبكر من القرن الأول قبل الميلاد ، بدأ الناس في تربية الحمام الزاجل ، بمتوسط سرعة طيران يبلغ ٥٠ ميلاً في الساعة ، لقدرتهم القطرية على إيجاد طريقهم إلى المنزل عبر مسافات طويلة. بشكل لا يصدق ، قدم الحمام نتائج الألعاب الأولمبية الأولى في ٧٧٦ قبل الميلاد - السفر من اليونان إلى أثينا وجميع القرى المحيطة للإعلان عن الفائزين في الألعاب.
- لكن الحمام لا يمكن أن يسافر إلا حتى الآن. في القرن الخامس قبل الميلاد ، بنى الملك القارسي داريوس الكبير الطريق الملكي لتحسين التواصل في جميع أنحاء إمبراطوريته الكبيرة. يمكن أن يسافر الساعة ، على ظهور الخيل ، ما يقرب من ٢٠٠٠ ميل في سبعة أيام - كانت الرحلة نفسها في السابق تستغرق ٩٠ يومًا سيرًا على الأقدام. شقت طريقة ، الذي اشتهر Pony Express الاتصال هذه طريقها إلى أمريكا وساعدت في تشكيل وتسليم البريد من ساحل المحيط الأطلسي إلى كاليفورنيا. ومع ذلك ، كانت رحلة ركوب الخيل عبر السهول الكبرى وفوق جبال روكي خطيرة للغاية ، وكانت ١٠ أيام وقتًا طويلًا لانتظار الأخبار المهمة.

فقرة عن وسائل الإعلام قديما

في العصور القديمة ، بدأ استخدام عبارة "وسائل الإعلام" في عشرينيات القرن الماضي. كان مفهوم "وسائل الإعلام" مقصورًا بشكل عام على وسائل الإعلام المطبوعة حتى فترة ما بعد الحرب العالمية الثانية ، عندما تم إدخال الراديو والتلفزيون والفيديو. سمحت الإذاعة والتلفزيون بالنسخ الإلكتروني للمعلومات لأول مرة. كان عليهم الانتظار حتى يتم إنشاء تقنيات جديدة قبل ظهورهم في الحياة. كان أولها الورق ، الذي تم اختراعه في الصين في حوالي 100 قبل الميلاد. ومع ذلك كان لابد من مرور 1500 عام أخرى قبل أن يبني يوهانس جوتنبرج أول مطبعة.
