## WSS Superstar Champions!

Thank you dear parent for your positive message of appreciation & video. Ms. Susweta was very happy!

The Principal Ms. Valerie was presented with an achievement certificate on behalf of the whole WSS team, issued by the VP Cluster Lead Ms. Ranju & presented to Ms. Valerie at GEMS Corporate Office by our CEO Mr. Dino Varkey. This was in recognition of ongoing school successes & development.

Dear Ms. Beena and Ms. Sidra,

I really wanted to thank you both for your tireless efforts in making sure that our kids learn the maximum possible in this pandemic period.

I was very skeptical about Aira attending her classes online as KG2 was definitely a huge step ahead for the kids, but the support that I have received from the teachers in ensuring that she shows progress is commendable.

I could see a huge difference in my child from what she was in KG1. Her reading skills have become really impressive and she is also trying her best to achieve the objective of writing.

I really appreciate all the love, patience and dedication you have shown towards my kid and I really wished that she could have got a chance to attend her classes and learn even better under your guidance.

Lots of Love from Aira..

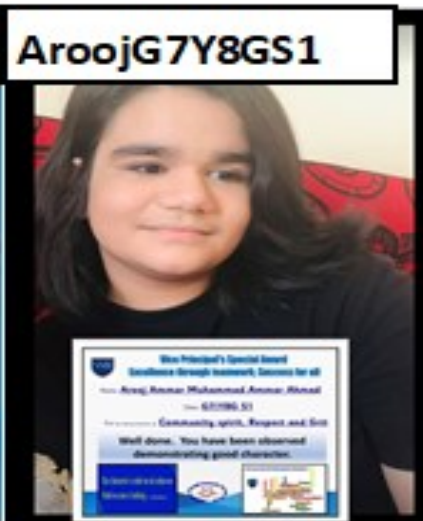

Regards,  
Sheeba

Dear Mr. Osama,

This is Ruqaya Ahmed G5GH1 father I am sending this email to express my gratitude to the WSS school management, Arabic section and Mr. Mohamed for his effort with students during this year. I have noticed a big difference with my daughter since she was struggling with Arabic but this year she is completely different and she loved Arabic subject and started reading Arabic in addition to that he always encouraging her to express herself since she is very shy and and quite person and she's now interacting during the class and she feels more confident.

I would like to request if the school can assign Ruqaya in Mr. Mohamed class in G6 next year would be great for as it would help Ruqaya to continue the development with Mr. Mohamed.

Thank you again for all your efforts.

Regards,  
Ahmed Sallam

Dear Miss Priti

I would like to thank you for all the extra effort you make to help our kids. With all your patience, creativity and love, our kids achieved a lot this year. Thank you again because you care so much about them, you have directed them to trust themselves in all they do especially online studying was not easy.

Thanks & Regards

Thank you dear parents for taking the time to share a positive appreciation message to your teachers. It is so encouraging & motivating to continue the hard work & commitment.

Respected Madam,

We would like to thank you Miss Susweta for inspiring our child to come out of his shell.

Farhan really appreciates your continuous support to empower and guide him through this academic year.

Thank you for being so patient with him. I am also glad for teachers like you who make a difference in a child's life.

As a parent, I know perfect teachers are hard to find, but for me "You" are the "Best" teacher for my child. Your advice and belief in him has really helped me and given him the confidence he needed way forward.

Although it was a very unique experience for students to complete the lessons through online sessions, you all have done a great job during the live online session.

We appreciate your dedication for all the students, you have been very supportive, loving and caring teacher.

Kind regards,

Yours Sincerely,

Sadia (Mother of Farhan Jasim)

Dear Ms. Deepthi,

A short note to summarise our experience during the current academic year.

*"A year which most of us would want to put behind in terms of the pandemic. This being said, we congratulate the Management and Staff of GEMS Westminster School, Sharjah for ensuring the continuity of education without compromising on the quality of delivery.*

*The safety standards followed at the School premises were exemplary and ensured a safe environment for students. We were impressed to see all the safety protocols being followed without any lapses.*

*A special note of appreciation for Ms. Deepthi and Tanush's subject Teachers. They have gone the extra mile to make his learning fun filled with new learning methodologies. Goes without saying that the role of the support staff too was crucial in setting up the School and achieving operational efficiency. Kudos to them as well!*

*Thank you all once again and we look forward to a promising year ahead.*

*Happy Holidays! Stay Safe, Stay Healthy."*

Dhiviths mom.

Good Day!

I would just like to thank you for Mr. Ismail for his class today for grade 5G - D1 as he had a very nice way of teaching that grabbed my attention, where he chooses a wise way of sending the information or the point, a pleasant way talking with the girls and as an overall performance.

This was just a simple thanks and appreciation message that I wanted to pass. A very good role model for the Arabic teachers and Arabic subjects.

Kind Regards,

Heba Ali.

Dear Ms. Himaya and Ms. Soumya,

Thank you very much for a wonderful event with our children. We understand that doing a virtual concert is not an easy task especially with kindergarteners. Tremendous efforts you both have put in this event from making the propts. to conducting practice sessions is very evident. We have no words to thank you enough. We, along with Aleesha's grand parents from Sri Lanka enjoyed the concert with great pleasure. Aleesha too enjoyed her first ever concert.

Thank you again from bottom of our hearts.
