Message from the
Principal/CEO
Ms. Valerie Thompson

Dear WSS Parents,

100% Return to School

We are very much looking forward to welcoming all our children back to 100% school shortly. As we return to school for 100% F2F, please note that COVID health & Safety rules still apply, especially not sending your child to school sick, especially with any COVID symptom (see full details on 'Whole School News page). If we have to send you child home sick, or your child is absent with COVID symptoms, a **PCR & Medical Report** will still have to be submitted before your child rejoins class.

Traffic is likely to be extra busy around school at drop-off & pick-up times, so please allow extra time to **get your child to school on time for Registration at 7:30am**. Thank you.

For this Term, if your Y3-13 child is off sick, he/she may access lessons through online Phoenix. Your child may be an observer, but the Teacher will not be able to interact while teaching the class. However, do please let the teacher know beforehand so she can open her camera.

Uniform—almost all our children are now coming to school dressed in professional standard uniform with smart tie/scarf. They look amazing—thank you parents! In case your child still needs to buy one, please send in AED 24/- for a Y3-13 boy's tie or AED28/- for a Y3-13 girls scarf to the school Bookstore. These are a compulsory part of our lovely, smart, professional dress uniform. Thank you.

ACT OF KINDNESS AND HAPPINESS DURING THE HOLIDAY AND MIDTERM BREAK

Hmmm. Holiday and midterm break is coming and I should think something to do so that my day will be fruitful in the house and make my family happy.

I think I need to fix my room and help my mum in doing some house chores.

Happiness Act of Kindness

Ahhh! I do agree with you. I will prepare something to make our family happy during the holiday.

Jake and Mary cleaned their rooms for the whole day and fixed all the mess in the house. Their mum was surprised to see that their house is very organised and smells good.

Mum, I cleaned my room and it is nice to see that I fixed everything in order.

I fixed our messy things, wiped dusty cabinets, and swept the floor, mum.

Ohh! Thank you, Jake and Mary. I am so glad that both of you are now responsible of doing the house chores without being told. You fixed your mess properly and your room is pleasant to look at. Our house is clean and it smells so good and free of dusts. Well done!

I am so happy!

Help Share Volunteer clean without being asked to do

Mum, here is the source why I have done cleaning my room. I am always thinking of the act of kindness to make you feel happy. I love you, mum!

Wow! I am so thankful for you both. I can see a positive behaviour which you can carry wherever you go. I am so proud of you, Jake and Mary! Keep it up!

I have read some information about happiness that's why let you both feel it.

1. Tell everyone that you are happy with them.
2. Do what makes you happy.
3. Give and spread happiness to others.
4. Celebrate, share, and promote happiness.

COVID Symptoms

We know that the following COVID-19 symptoms can be present in many other illnesses. However, due to the need for extra safety measures in the community during this pandemic, the Authorities require school to follow strict actions in case a child has any one COVID symptom. Before any child returns to school parents need to:

1. Provide negative PCR test result (72 hours validity)
2. Submit a Doctors Medical Certificate saying reason for absence & that the child is fit to rejoin school.
3. Bring child to the WSS Clinic for assessment before the child rejoins class.

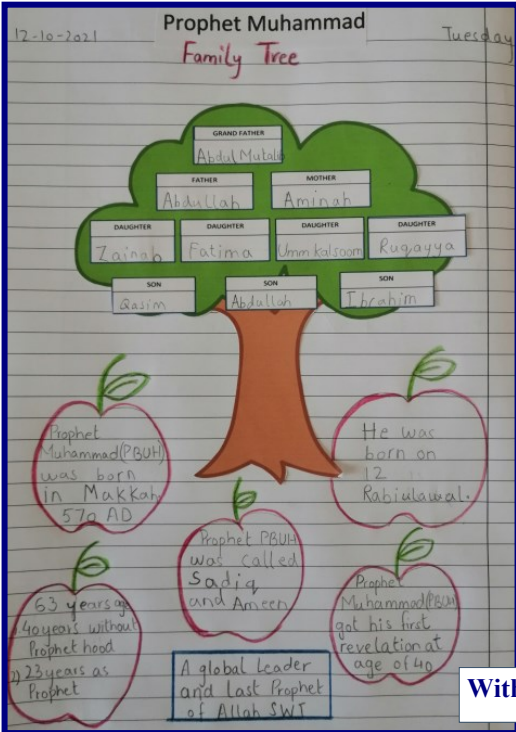

We thank parents for their kind cooperation to support us to comply with Authority rules to keep our children safe.

A person was born, a prophet to be
 Muhammed (ﷺ) that was his name.
 People were misguided and that's when he came
 He would go on to leave all the idols behind
 He is an example to the whole of mankind
 Rabbi-al-Awwal, in it was a day
 He came to this world to show us the way
 He was born in Mecca, the holiest place
 A life full of challenges he was to face
 Abdullah, his father, had by then passed away
 Leaving Amina, his mother, in her arms he lay
 Halima Sadia took over his care
 Until he was six, our prophet was there
 His mother then died, he was left all alone
 Abdul Muttalib, his grand-dad then made him his own
 When our prophet was nine, his grandfather died
 Abu Talib, his uncle, became his new guide
 In his 20's, a merchant Muhammed (ﷺ) became by trade
 Al-Amin (the trustworthy), became his grade
 Khadija (r.a.) aged 40, became his bride
 He was 25, with her by his side
 To the poor, she gave away all her wealth
 A dedicated wife in sickness and health
 360 idols in the Ka'aba, there were at that time
 Our prophet realised that this was a crime

PROPHET MUHAMMAD AND HIS MERCY TO THE MANKIND

قال لي النبي صلى الله عليه وسلم
لا يزخّم الله من لا يزخّم الناس

The prophet said : those who are merciful will be shown mercy. So be merciful to those on earth and the ones above the heavens will have mercy on you.

"THE BIRTH OF PROPHET MUHAMMAD WAS NO ORDINARY BIRTH FOR ONE SIMPLE REASON, IT WAS THE BIRTH OF MERCY, EQUALITY, SOCIAL JUSTICE AND HUMAN RIGHTS"

وَمَا أَرْسَلْنَاكَ إِلَّا رَحْمَةً لِّلْعَالَمِينَ
"AND WE HAVE NOT SENT YOU, [O MUHAMMAD], EXCEPT AS A MERCY TO THE WORLDS."

Surah Al-Anbya

our prophet never responded with rage instead prayed for those who had insulted him to guide them to the right path. His heart was full of hope and mercy.

[Sent as a Mercy to] Man Kind

Prophet Muhammad (PBUH) was the most loving & the most kind,
 He was sent as a mercy to man kind,
 He thought us to always keep Allah in our heart and mind,
 He was sent as a guide to help us find,
 The true purpose in our life,
 He thought us to be the most gentle,
 Loving, caring and kind towards our wives,
 And the most respectful towards our Parents,
 He was the messenger of Allah,
 The most beloved,
 And the One we loved,
 Yet he went through the most hardship,
 And suffered the most pain,
 When we are tested we question Allah's love and we constantly complain,
 He was the most gentle,
 Even when it came to sacrificing a cattle,
 It's Prophet Mohammed (PBUH),
 This is the man who you and I,
 Should up to as our role model and our guide,
 He was the most kind,
 And sent as a mercy to mankind,

إِنَّ فِي هَذَا لَبَلَاغًا لِّقَوْمٍ عَابِدِينَ - وَمَا أَرْسَلْنَاكَ إِلَّا رَحْمَةً لِّلْعَالَمِينَ -

The prophet's compassion towards the believers was of the utmost degree.

The love and compassion of Allah's Messenger for all kinds of creatures was not of the kind claimed by today's 'humanists'.

Our prophet's mercy towards:

- BELIEVERS
- ENEMIES
- WOMEN
- CHILDREN
- ANIMALS

Mercy to Mankind

He was sincere and balanced in his love and compassion. He was more compassionate than any other person.

He was a Prophet raised by Allah, the Creator and Sustainer of all beings, for the guidance and happiness of conscious beings - mankind and jinn - and the harmony of existence. Therefore, he lived not for himself but for others; he is a mercy for all the worlds.

"To strive for the cause of Allah from daybreak to noon and sunset is better than the goods and enjoyment of the whole worldly life."

Golden Words of the Prophet Muhammad SAW

There are a countless lessons we can learn from our beloved Prophet SAW.

Here are some beautiful sayings of Prophet Muhammad (PBUH) that we can implement in our lives today for he is a mercy to mankind, and an exemplar for us all:

"If you put your whole heart in Allah, He will put your whole heart in you."

"Allah has created you as a mercy for the world."

"Whoever is kind, Allah will be kind to him on the earth. He who is to Allah, Allah will show mercy on you."

Racial Discrimination

In our modern age, it is common to see a sign of racism either in public or digitally on the internet. Racism is the prejudice/abuse by a community or an individual against someone on the basis of their

Membership of a particular racial or Ethnic group. It can also be in religious matter. In May 2020, someone of the name George Floyd has passed away due to racial activity. Due to him being a dark-skinned person. He was treated more violently by a police officer. Resulting in his deceasing.

Muhammad Maaz Yr – 12BH1

Abdulmoiz from 12BH1 addressing what is racial discrimination and why to prevent it. Racism isn't something to be proud of. There should be equality between all humans and respect for a better economy and environment.
