# ***Whole School News; Meet the WSS Local Advisory Board (LAB) Role, Responsibilities & Function, 2024-2025!***

## **1. ROLE and FUNCTION**

The LAB functions primarily as an advisory board and holds an important strategic role in overseeing the achievement of the school's strategic aims and objectives. The LAB will:

- understand and uphold the school's and GEMS vision and values.
- monitor, advise and support the school on matters of strategy and policy.
- help monitor the school's standards and performance.
- support the school and the Principal and seek to provide wise counsel.

Members are a group of experienced and skilled individuals from diverse backgrounds, who add a great deal to improve the school's performance. Members are mindful of the role and responsibilities of the Principal, and understand and appreciate the relationship of GEMS (the company) to the school.

The LAB is not involved in financial matters, appointing staff, the day to day running of the school, admissions, individual issues or grievances, or any other matters which are the remit of GEMS or the school's leadership.

The school is a member of the GEMS Education group. The headquarters of the Group is located in Dubai, UAE and operate through Premier Schools International LLC (the "Corporate Office "). The Corporate Office is generally responsible for supporting the school financially and supplying human resources, legal support, certain procurement and enrolment support.

The LAB assists with monitoring the activity and performance of the school by supporting the school's senior leaders to be fully accountable for the school's outcomes. Working in partnership with the school, the LAB actively collaborates, engages and challenges the school through constructive dialogue at all times. Confidentiality must be assured by all members of the LAB at all times.

## **4. RESPONSIBILITIES**

The role of a governor is largely a thinking and questioning role, not a doing role

A governor is expected to :

- a) contribute to the strategic discussions at LAB meetings which help determine:
  - the vision and ethos of the school.
  - clear strategic priorities and targets for the school
- b) assist the school in the monitoring of their performance including:
  - reviewing the outcomes of the school's self- evaluation ( SEF)
  - considering relevant data and feedback on school performance.
  - listening to the school's stakeholders ( i. e : students, parents, staff, local community, the wider GEMS family ) to help inform advice and support given.
- c) upon request, serve on sub- committees, working parties, panels as appropriate, for example when a new Principal is appointed.

Congratulations to Kaleb Paranayapa Ranasinghe (Y2F1), who took part in an Abacus Competition on 23/11/24 and was awarded as a Gold Topper!

Dear Ms Fozia,

Thank you so much for your email, it is well noted.

I wanted to take a moment to express my sincere appreciation for your incredible support during Ms. Jennifer's absence.

Your patience, dedication, and ability to manage the classroom were truly commendable.

The kids responded so positively to your guidance, and I'm grateful for the nurturing environment you created during that time.

Your hard work did not go unnoticed, and it made a significant difference in the students' experience.

Thank you once again for stepping up and ensuring everything ran smoothly.

We are fortunate to have you as part of our team!

Special thanks to Ey-ad's parents, who sponsored special trophies for our choir, after their excellent performance at the Music Festival. We very much appreciate their positive teamwork & thoughtful gesture.

I want to thank you and the entire WSS team for all the amazing activities and efforts put into the students' learning and well-being.

The recent Science Exhibition was wonderful. Both of my children enjoyed taking part, and the idea of using daily waste to create eco-friendly projects was very inspiring. It taught them the importance of sustainability in a fun and practical way.

We really appreciate the hard work and teamwork behind such events.

WSS is truly nurturing the students in every way, and we are proud to be part of this school.

Wishing you and the WSS family a Happy Eid Al Etihad!

### "Exploring, Experimenting, Excelling: Year 6 at the Science exhibition!"

Year 6 students in the science exhibition displayed exceptional creativity and a strong commitment to sustainability. Their projects included innovative waste management systems, recycling stations, and models of sustainable cities and villages, offering practical solutions to environmental challenges. The students explored renewable energy through solar, wind, and hydroelectric power and emphasized water conservation with initiatives like rainwater harvesting, drip irrigation, and wastewater treatment. Projects such as zero-waste lifestyle zones and sustainability posters promoted eco-friendly living and raised awareness about global warming. These young innovators truly embodied the spirit of building a sustainable future.

## WSS Secondary Section Superstar Champions!

Dear Siji Ma'am,

I hope this email finds you well. I wanted to take a moment to express my gratitude and appreciation for organizing the recent quiz competition at school. It was a wonderful initiative that not only engaged the students but also encouraged them to expand their general knowledge in a fun and interactive way.

Competitions like these are instrumental in fostering a sense of curiosity and learning among students. They provide an excellent opportunity for children to explore new topics, develop quick thinking skills, and boost their confidence. It was inspiring to see the enthusiasm and teamwork displayed by my daughter and her team preparing for that competition.

I sincerely hope the school continues to organize such events in every term, perhaps even in other areas like debates, creative writing, or science challenges. These activities play a significant role in enhancing students' overall development.

Thank you once again for your effort in making learning so enjoyable.

P.S. Children are eagerly waiting for their prize.

Best regards,

Aneela Syed
