Message from the Principal/CEO Ms. Valerie Thompson

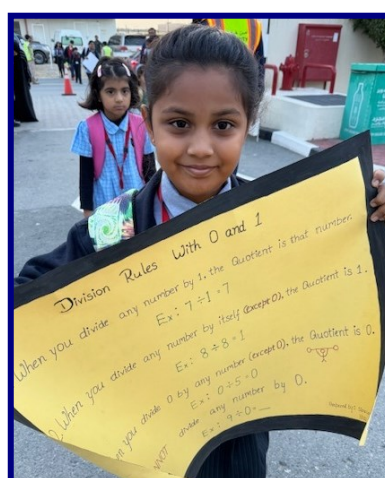

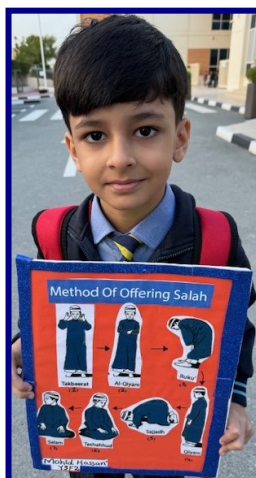

Dear WSS Parents,

Term 2 Fees

As educators, we really hate having to discuss pending fees with our dear parents. However, the reality is that fee income is our only source of finance, & critical in ensuring payment of staff salaries & bills for the smooth operation of school. Many thanks to all the parents who have cleared their T2 fees in a timely manner. However, unfortunately there are around **400 students still to clear their fees. This is a really critical situation** for us, so please clear pending fees as applicable, so we can operate school & open the re-enrollment facility for September 2024 seats. Thank you.

أولياء أمور مدرسة جيمس ويستمينستر
الشارقة الأعزاء،

رسوم الفصل الدراسي الثاني

كمعلمين، نحن نكره حقًا الاضطرار إلى مناقشة الرسوم المعقدة مع والدينا الأعزاء. ومع ذلك، فإن الواقع هو أن دخل الرسوم هو مصدرنا الوحيد للتمويل، وهو أمر بالغ الأهمية لضمان دفع رواتب الموظفين وفواتيرهم من أجل التشغيل السلس للمدرسة.

شكرًا جزيلًا لجميع أولياء الأمور الذين قاموا بسداد رسوم T2 الخاصة بهم في الوقت المناسب. ومع ذلك، لسوء الحظ، لا يزال هناك حوالي 400 طالب لم يسددوا رسومهم. **يعد هذا وضعًا حرجيًا** حقًا بالنسبة لنا، لذا يرجى إلغاء الرسوم المعقدة حسب الاقتضاء، حتى نتمكن من تشغيل المدرسة وفتح مرفق إعادة التسجيل لمقاعد سبتمبر 2024. شكرًا لك.

Whole School News; GEMS ‘Family First’ Initiative!

We are delighted to announce the launch of an exciting new initiative, ***Family First***.

For the past 65 years, GEMS Education has put ‘Family First’ at the heart of its teaching and will now incorporate this core principle into its holistic classroom learning for students across the network in a ground-breaking new programme.

The initiative actively seeks to strengthen family bonds, foster intergenerational learning, and combat issues such as loneliness, isolation, and depression. *Family First* will play a pivotal role in students’ wellbeing and success as they reap the benefits of deeper connections and an engaged and supportive community.

Fully supported by our Founder, Mr Sunny Varkey, and in alignment with the Dubai Social Agenda 33, *Family First* launches publicly today (Thursday 8 February) at an event held at GEMS World Academy – Dubai.

We are honoured by the presence of **His Highness Sheikh Nahyan bin Mubarak Al Nahyan, UAE Minister of Tolerance and Co-Existence** and **Her Excellency Hessa bint Essa Buhumaid, Director-General of the Dubai Community Development Authority**.

They and other VIP guests, including GEMS Education Founder, Mr. Sunny Varkey, will be joined by a selected audience of some 500 GEMS family members including students, parents, and grandparents, along with Family First Champions from each school in the UAE and Qatar who have been appointed to spearhead individual school activities.

Family First will initially be launched regionally across the GEMS Education network of schools, but the ambition is for *Family First* to become a much larger force in the years to come – a household name representing a cultural shift towards love, care, and interconnectedness, influencing global policies and practices.

As part of this initiative, GEMS Education will be conducting a global survey to understand family and community dynamics, organising a series of talks covering inspiring stories from across diverse landscapes, and hosting the *Family First* Gala, which will be an annual event celebrating remarkable stories and people.

The launch event will be covered on GEMS Education’s social media, and we ask you to support this movement of love and care by simply liking, sharing and commenting on the posts from GEMS Education’s [Instagram](#), using the hashtag **#GEMSFamilyFirst**.

Family First aims to impact every member of the GEMS family and you can stay up to date with the initiative by visiting the *Family First* section on the [GEMS Education website](#).

For today, I would like to extend my sincere thanks to the entire team that put together the Primary Reading Workshop for Parents, January 31st, 2024. It was an awakening to prod our children everyday towards reading - an art and skill that we see slowly diminishing. We better understand that this is a family and group activity and can be a lot of fun. We hope to carry the light you have lit further. Once again, a big shout out to all the teachers for your grand efforts despite having really busy schedules.

It is wonderful to see that you share our parenting responsibilities with so much enthusiasm and look to nurture our children beyond academics.

Thank you and God Bless!

Sarah
