

GEMS WESTMINSTER SCHOOL, SHARJAH

Newsletter Issue #26
23rd March, 2023

Message from the
Principal/CEO
Ms. Valerie Thompson

Dear WSS Parents,

As we come to the end of an extremely busy & productive Term 2, I wish to thank you so much for all your continuing help, support & positivity as we progress on our learning journey together! Ramadan Kareem & very happy Spring Break!

Parent ID Cards

This week we had a routine GEMS Health & Safety Audit across school. We were awarded an 'Excellent' score overall, however, we lost points due to some parents not wearing their Parent ID when entering school to drop/pick-up their Junior child. For our children's safety, from T3 we will be more strict—all parents must have their parent ID card with them to enter the school building. Please contact the BBT office if you need a replacement ID card. Thank you.

Dayana David Y11 GH.

It works well for me because I have learned much & it feels like playing a warrior game with learning. My experience with class craft is great. As it gives you points for every quest you finish. Another thing I like about Classcraft is it lets you pick your avatar and customise it. It even has a game, like the teacher needs people to answer a question and can't decide who to pick, it chooses the avatar or person to answer. When we answer the question correctly it rewards you points. Aena Asad Aziz Y9 GF

Classcraft is really good and helpful. It helped me with my studies and my personality. I have changed a lot since I started Classcraft I felt I should be more positive than negative and I did complete this mission of mine. Hadiya Gul Y10 GS
