Staying authentic shows that you value integrity and that others can rely on you. Being yourself inspires confidence and creates a positive environment where people feel safe to be authentic too.

I would like to sincerely thank you for the wonderful effort you put into the online lessons. Your dedication and organization made the sessions very effective and enjoyable for the students.

Special thanks go to the ICT Mr.jowie for building a genuine love for technology among the students in such an engaging and enjoyable way, while also ensuring they learn the important digital foundations that every student should have.

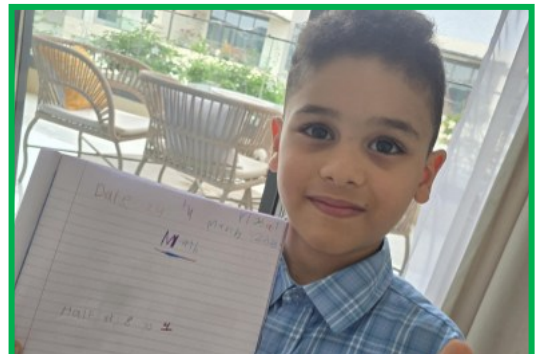

I would like to thank the PE teacher Ms. Sheema . I was honestly curious about how a sports lesson would work online, but I was pleasantly surprised. Seeing the excitement and happiness on my son's face during the class showed how energetic, fun, and refreshing the lesson was.

Dear Ms. Beena and Ms. Rahna,

Thank you for your kind message and for the continuous effort you both put into supporting the students throughout Term 2. I truly appreciate the dedication and care shown in ensuring that learning continued smoothly during the distance learning sessions.

A special thank you to Ms. Rahna for preparing and sharing the Term 2 Class Newsletter. It is wonderful to see the activities and learning highlights from the term.

We are grateful for your hard work and support for the students. Wishing you both a blessed Ramadan, and we look forward to the start of Term 3.

FS2 D1 shows great enthusiasm and energy during online learning! In Maths, the children recorded making numbers in different ways. In our UW (Understanding the World) session, we explored floating and sinking. Being mini-scientists, the children recorded their observations after performing the experiment. During our Fun Session, the children created Eid cards for their friends and shared messages such as, 'Happy Eid,' 'Eid Mubarak,' and telling their friends they miss them a lot.
