What the UAE means to me?

Writing Competition

In the Year of Community - *Hand in Hand*

Student's Experience: Nadine Tabche - Yr13GH

and Arjun Sujeev - Yr 12BH

On Tuesday (16/09/25), we were privileged enough to get the opportunity to attend the event jointly run by the Ministry of Tolerance and Coexistence, as well as Sandooq Al Watan, where the prospect was a writing competition (detailed beforehand) we all got the opportunity to participate in.

This was an incredibly unique event which took place in the Mohammed Bin Rashid Library (MBRL). Students were invited to take part in the aforementioned competition and got to express themselves in the process. Over 100 students from a variety of schools had the chance to attend, and to say the event was special would be a gross understatement.

Not only were we able to see the interior of such a prestigious place— But we were granted the chance to meet His Highness, Sheikh Nahyan Bin Mubarak Al Nahyan himself. What an honor it was.

We felt out of place within the room, and struck with a sense of surrealism that could not be described even with time. Being in the same room as His Highness was an unforgettable experience that we truly valued.

We truly say thank you to Ms. Ayesha Aslam for her guidance in this experience!

Dear Mom,

I want to tell you something from my little heart. You are my true hero.

When I was sick and weak, you were my strength, my smile, and the warm hand that wiped away my pain.

You stayed awake while I slept, you cried in silence so I wouldn't see, and you hid your fear behind your gentle words and you kept praying day and night for my sake.

Mom, without you I would never have felt safe or comforted.

You cared not only for my body, but also filled my heart with love, and taught me that illness cannot defeat us as long as we are together.

I love you more than words can say, and I promise to always be the child who is proud of you and prays for you.

WSS Bus Code of Conduct

Good morning sir! Today I have heard that someone got an incident report on the bus. I am scared to get one.

Good morning students! How are you today? Let's talk about safety rules on the bus.

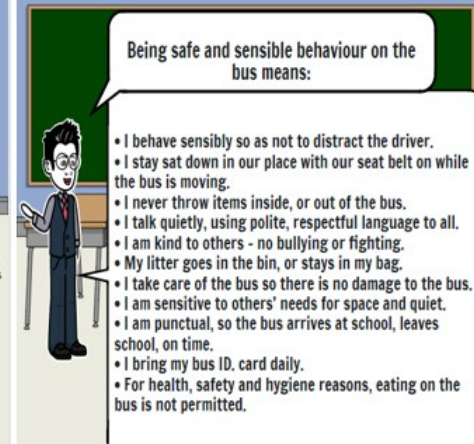

Dangerous behaviour is not acceptable due to safety considerations.

Safety on the bus is essential. We are not allowed to touch anybody while we are inside the bus. Instead, behave properly in accordance with the policy to avoid any issues.

General Bus safety rules are:
 1. Stay seated safely.
 2. Follow directions given by WSS staff.
 3. Be quiet.
 4. Students must be met at the drop off point by a designated adult with an ID card.
 5. Bring ID card each day.

Code of conduct on the bus is very important. We must be safe and sensible at all times.

Our three bus rules are:
 1. Sit safely.
 2. Quiet please!
 3. Manners

Being safe and sensible behaviour on the bus means:

- I behave sensibly so as not to distract the driver.
- I stay sat down in our place with our seat belt on while the bus is moving.
- I never throw items inside, or out of the bus.
- I talk quietly, using polite, respectful language to all.
- I am kind to others - no bullying or fighting.
- My litter goes in the bin, or stays in my bag.
- I take care of the bus so there is no damage to the bus.
- I am sensitive to others' needs for space and quiet.
- I am punctual, so the bus arrives at school, leaves school, on time.
- I bring my bus ID, card daily.
- For health, safety and hygiene reasons, eating on the bus is not permitted.

ACT OF KINDNESS

That's true Ms. Rodricks. Fatima was extremely kind to me. She used to drop me to the OT area, and carry my bag. Fatima helped me complete my lessons.

Fatima, I came to know that Samiha had injured her arm and you have been taking care of her very well.

Thank you Fatima.

I felt happy to help my friend when she was in need. It gave me immense joy.

I feel proud of my students, it is always a joy to be kind to others. Great job!! Fatima. You have demonstrated a fine example of Wellbeing!!

Helping classmates in Reading:

A student finding reading challenging stands up and chooses one of his classmates to correct his mistakes. Whenever he makes an error or stumbles over a word, he looks at his peer and whispers in his ear asking for help. The other student then assists him by reading the word he found difficult.

Over time, the struggling student improves.
