Leadership GEMStone of the Week!

OCTOBER – WEEK 40
LEADING WITH DIVERSITY

FLOURITE

Celebrates unique perspectives and fosters inclusivity.

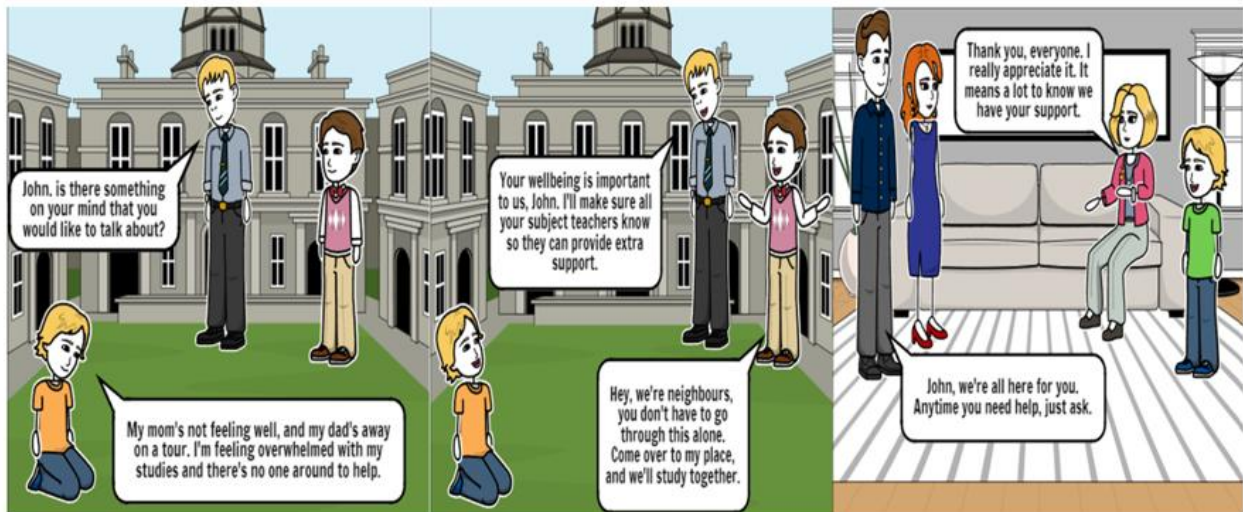

“ Leadership means making sure every voice is heard and valued. ”

MESSAGE: Leading with diversity means appreciating different perspectives and ensuring everyone's input is valued. When you include and respect everyone's ideas, you create a sense of fairness and build trust. This strengthens teamwork and helps the group achieve success together.

REFLECT: How can I make sure everyone feels included in our success? What can I do to show my team that their ideas and contributions matter?

Family First!

Primary students enjoyed Family First Classroom Breakfast with parents & classmates this week. Thank you, dear parents who attended, shared delicious treats & engaged with the fun!

Thank you so much for such a wonderful first Family Breakfast Bash! 🌸

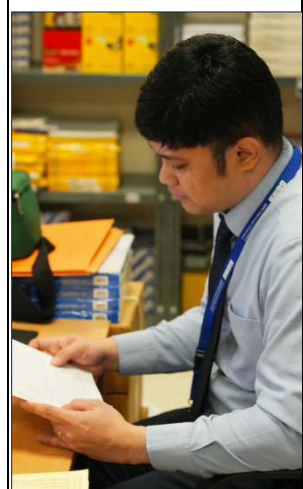

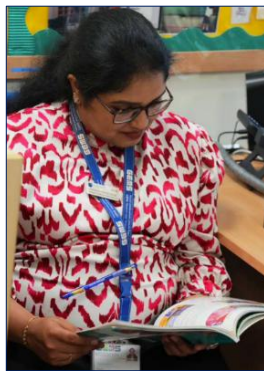

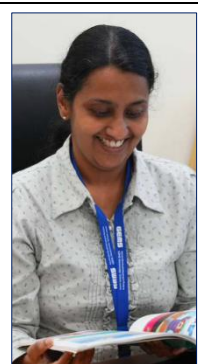

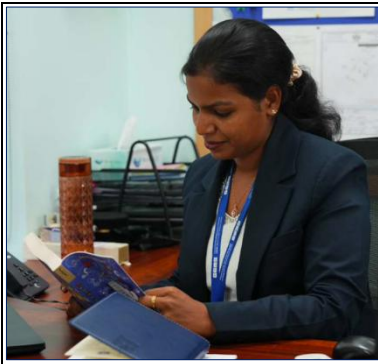

It was truly a beautiful and memorable morning. Everything was so well organised, warm, and thoughtfully arranged. The atmosphere was lovely, and it was a pleasure to spend such a special morning together with our children and their teachers.

A wonderful first gathering filled with happiness, connection, and beautiful memories. ❤️ ✨

Thank you to the whole team for your amazing effort and for making our first meeting so special! 🌸

DEAR Time, 29/9/26 (Drop Everything & Read)

At 1pm on 29/9/26, the whole school dropped what they were doing to read (DEAR Time). This activity was to reinforce the importance of having a regular reading habit.

Happy Birthdays!

Superstars

Dear Ms. Millicent,

I would like to take a moment to sincerely thank you for your continued support, care, and kindness towards my daughter.

You have always made school feel like a happy, safe, and welcoming place for the children, and I truly appreciate the positive impact you have on them. Your support means so much to us as parents.

You were also my elder daughter's teacher, and I will always be grateful for the role you played in helping her become stronger, more confident, and more comfortable in herself. Seeing the same care and encouragement you now give to my younger daughter makes me appreciate you even more.

Thank you for everything you do—not only as a teacher, but as someone who makes a real difference in children's lives. We are truly grateful to have you as part of their school journey.

Dear Mr Ben,

Congratulations to you and all the students on such a wonderful performance today. The choir did a beautiful job, and it was lovely seeing them perform. Thank you so much for making it possible for us to watch the performance through the link.

Thank you so much for all the effort and encouragement you give Imaan. She is a little reserved, so seeing her perform today with such confidence and expressiveness was very special.

It is wonderful to see how happy she is when she sings and how much she has grown through these opportunities. It is such a joy to watch her enjoy something so much and express herself so freely.

Thank you for bringing out this beautiful side of her and for helping her grow in confidence. It means a lot to us.

Respected Ma'am,

Thank you so much for your kind words and for taking the time to share this with us. It really means a lot to us as parents.

We are very happy to know that Arhan is showing good behaviour, respect and responsibility in class. Your appreciation and encouragement mean a lot to him and to us.

We truly appreciate all the effort, patience and guidance you give the children every day. As parents, it is very reassuring to know that he is learning not only his subjects but also important values and good manners.

Thank you once again for your support and for bringing out the best in Arhan. We will continue to encourage and support him at home.

Dear Miss Jabeen,

I just wanted to take a moment to sincerely appreciate you for your kindness, support, and dedication towards the students.

I recently attended the breakfast morning with the teachers and parents, and I really appreciated how warm and welcoming you were. It was lovely to see how approachable and friendly you are, not only with the students but also with parents.

I also truly appreciate how supportive you have always been and how promptly you respond to emails. As a parent, it is very reassuring to know that we can reach out to you whenever needed and receive such a quick and helpful response.

Thank you for always being so caring, approachable, and supportive. Your efforts are genuinely appreciated, and we are very grateful to have you as our son's teacher.

Thanks and best regards

Dear Ms. Nithya,

Thank you so much for reaching out with this great news! We are thrilled to hear about Taymullah's progress, and we are so grateful that you took the time to give him a more deep explanation of the lesson. His improvement is a true reflection of your excellent, personalized teaching.

Knowing he has your support for a second year means a lot to us. We will certainly keep pushing him to reach his full potential.

Thanks for your concern and support.

Dear, Ms Nithya

Thank you so much for your wonderful message. It really made me very happy and proud to hear about Waddah's progress in Chemistry.

I truly appreciate all your effort, support, and encouragement. It means a lot to us to know that he is improving and showing such a great interest in the subject.

Thank you for being such a wonderful teacher and for supporting Waddah throughout his learning journey. We are very proud of him, and I hope he continues to progress and do his best.

Kind regards,

I'm not sure if you remember me, this is Zain from your 2023 English Language class. I was thinking about my time at school recently and wanted to reach out to share a few updates with you, as your class had a huge impact on me.

After leaving school, I moved to Germany to study, which has been an amazing adventure. Alongside my studies, I've stayed really passionate about writing. I regularly publish my work on Medium now, and recently I actually got published in a UK magazine!

Honestly, studying the English Language with you was what sparked this for me.

I wanted to reach out and say a genuine thank you for that.

I hope everything is going great with you and at school!
