Whole School News; Celebrating World Teachers' Day & World Smile Day, 6/10/25!

A Heartfelt Note of Gratitude

It feels like yesterday, 2nd October 2012, when we stepped through the gates of the WSS for the very first time in FS. Our child's school life began with little steps, little hands clutched tight, and hopeful hearts looking forward to what the future had in store. Since we are now in Year 13, looking back at all those years spent studying in the same institution, our hearts overflow with thankfulness, love, and respect for those great teachers who have guided us step by step.

At every level from FS, primary, middle school, and now senior years teachers have been the guiding lights. You have taught not only in classrooms but also nurtured dreams, given confidence, and shaped character. You have been patient in adversity, gracious in adversity, and victorious in celebrating each success, no matter how small. Our child has grown out of those first letters and numbers into a young adult ready to take the world by storm, and that growth is due to a team of kind, dedicated teachers who gave themselves to teaching, guiding, and caring. You have not only taught us, but also taught with kindness, discipline, encouragement, and hope.

To us, you are not just teachers, you are mentors, inspirers, and role models who have walked with our children through their best years. You have made a lasting mark on their hearts, and on ours as parents too.

On this World Teachers' Day, we simply want to say: thank you. Thank you for the love, patience, faith, and countless unseen efforts. Thank you for the journey since that first day back in 2012, and for persevering with us through to Year 13. We could not have asked for a more beautiful present than the teachers who have been at the helm of our child's learning and life.

With deepest love and gratitude,
Our daughters (Laiba Y4-H2 & Lamia FS2-D2) continue their journey at WSS, looking forward to the best years still ahead.

🌸 From a Grateful Mom to All the Wonderful Teachers 🌸

To every teacher who fills our kid's days with knowledge, kindness, and care — thank you from the bottom of my heart for your endless patience, dedication, and love.

Kinda has grown in your hands from her first KG days to now in Grade 2. This year is a big step for Kinda moving from the warm world of kindergarten to a new stage full of learning and discovery. As she begins this journey with you, I want to thank you in advance for your patience, care, and the love you give your students every day.

Kinda carries with her the curiosity and kindness she learned in her early years, and I trust she's now in wonderful hands that will help her grow even more.

May this year be full of smiles, learning, and beautiful memories for all of you.

She has learned so much more than letters and numbers — she has learned confidence, kindness, and the joy of learning.

And now, my son Mohammad begins his first year with you, and I feel at peace knowing he's surrounded by hearts that truly teach with love.

Thank you for planting not only knowledge, but also safety and warmth in our kids' hearts.

Happy Teachers' Day to each one of you — you make a real difference and light the path to the future. 🌷

With love and gratitude,

A grateful mom — Kinda & Mohammad's mother 🧡

Dear Ma'am

Wishing you a very happy teacher's day the dedication and comfort you show towards the children is priceless and highly valued. We as parents are able to stay away from our kids those hours is because of the assured peace we get from the teachers when they say don't worry we'll take care! I am glad I have felt that from you and my son is also so happy with you and Ms. Afroz and doesn't show fear but he feels safe and comforted.

As a kind gesture I had kept small gifts in Jaden's bag but he forgot to give it to you all. Kindly find it in his bag tomorrow. In the front pouch.
Thank you so much.

Best regards

A teacher is like a candle that burns to give light to others. They guide us with patience, inspire us with wisdom, and encourage us to be our best. A teacher doesn't just teach lessons from books but also lessons for life — kindness, honesty, and perseverance. They see our potential even when we doubt ourselves and help us turn our dreams into reality. A great teacher not only shapes minds but also touches hearts forever.

Year 6 GD students participated in a heartwarming Grandparents' Day card-making activity. They joyfully expressed their love and appreciation for their grandparents through creative and meaningful gestures.
