## Age & Year-Grade Equivalency

WSS offers FS1 (Nursery/Pre-KG, age 3) up to Year 13 (Grade 12, age 18) classes. Grade 1 is equivalent to Year 2, & Grade 12 is equivalent to Year 13 etc.

When a child transfers from a school using 'Year' to one that uses 'Grade' (or 'visa-versa), or where classes are assigned as per Transfer Certificate (TC) & not age, the equivalency following table will apply in UAE.

<b>Grade-Year Equivalency</b>

## Assessment, Exams and Reports

- Teachers use a range of internal & external assessment tools to help them to gather the best evidence to identify students' progress & achievement (see diagram below).
- Students' progress is measured against English National Curriculum expectations.
- Student Progress Reports are issued at the end of every Term (subject to clearance of Term fees & submission of all required SPEA registration documents).

### Cheating in Assessments/Exams

- WSS has a **zero tolerance for cheating** in assessments/exams. Cheating is a serious disciplinary issue because students are practicing for the prestigious international Cambridge & EDEXCEL Examination Board exams, which do not tolerate cheating of any kind.
- Schools or individual students who cheat/allow cheating or attempt to cheat would be disbarred from taking international Board examinations. Therefore, we train out students from a young age that any kind of cheating (copying, talking, using hidden notes, asking others for answers, taking parent help during an exam, swapping papers or using electronic devices etc. to search for answers during an examination) are unacceptable & not tolerated.
- **Any student caught cheating will be disbarred from taking that particular examination & would receive '0' for that paper. The student would lose those marks, which would impact on their Term Report grade.**

### Subject Attainment Grading System (subject to change)

Grades:				
Academic Grade			Effort Grade	
	%	Comment		
A*	96-100%	Outstanding	1	Extremely Conscientious
A	90-95%	Very Good	2	Consistent effort
B	75-89%	Good		
C	60-74%	Acceptable (Pass for Secondary)	3	Satisfactory effort
D	50-59%	Weak (Pass for Primary)	4	More effort/support required
F	<50%	Fail	5	Little evidence of effort
FA		Failure Due to Absence		

### Missed exams Policy:

- If a student misses an end-of Term/end-of year exam, but **brings a medical certificate** (or Positive PCR/Influenza Report), the student will be given a Report grade based on continuous assessment. Assessments are not rescheduled.
- If a student misses a mid-term assessment but brings a medical certificate, the assessment may be rescheduled

(at SLT discretion).

- If there is no medical certificate, we do not reschedule any exam or give any marks instead of the exam. Those marks are lost from the Report grade.

### **Weighting for Reports** *(subject to change)*

- Weighting for Term Reports is usually 50% Continuous Assessment plus 50% Term Exam. Assessments are conducted F2F in class.

### **Attendance & Punctuality** *(see also 'Absence' above & 'Leave' below)*

- The MOE requires that students attend school for a minimum number of school days. Students could fail the year if their attendance falls below the required number of days (see 'Leave' for further details).
- Being punctual to school teaches the students **the lifelong value of punctuality & time management**. Being frequently late is a disciplinary issue.
- Registration **time is from 7:20am**.
- Students arriving **after 7:30am are marked as Late**.
- Students arriving **at/after the end of the Registration period will be marked 'Absent'**.
- As part of our discipline policy students who are **repeatedly late will be issued Incident Reports, Warning Letters**, and parents will be called.
- A record of late days is maintained by Reception for SLT follow-up, as part of our Code of Conduct.
- **Please send a Planner note/email for any short leave (1-3 days) & a medical certificate along with a Leave Application Form (from PRE) for any longer mid-Term leave/absence.**
- Please complete & submit a formal leave request (as below, & available with PRE) for any leave during Term time.

## Bags

- For safety reasons, **Junior children are not allowed to bring Trolley Bags to school** (there is no space in the Cubby Hole for a big bag, & handles that stick out are a safety hazard).
- Students must bring the regular backpack style of bag that hangs safely on a corridor hook.
- Primary & Secondary students may bring a minimal-sized trolley bags, as space in class for storage is limited.
- If your child uses bus transport, please be aware that there is limited space for bags, so please keep the bag as small as possible.
- If your Y3-13 child's bag is heavy, please avail of the locker facility.

## Behaviour Policy; WSS Code of Conduct

We believe that everyone has the right to feel safe, respected & valued in school. This applies to students, parents & staff.

- Poor, disrespectful or unsafe behaviour undermines wellbeing & the quality of the learning environment, so is unacceptable.
- In line with the MOE Behaviour Bilo, we have a stepped approach to discipline management, involving rewards and consequences. This is to encourage self-discipline & problem-solving, as well as to ensure a safe, happy & productive learning environment for all our students.
- All members of WSS community (including parents) are expected to model the school's **Code of Conduct**, as well as model & respect local/GEMS norms, culture & values.
- The MOE Student Behaviour Management Bilo includes the annual allocation of 100 Behaviour Marks, which can be deducted for WLs or Incident Reports.
- Certificates for Outstanding behaviour may be awarded for **1) Personal development, 2) Appreciating Islamic values & respecting the identity, heritage & culture of UAE & world cultures, 3) Social responsibility, leadership & innovation.**

### Examples of Rewards:

<i>Examples of Positive Actions by Student</i>	<i>Examples of Positive Reinforcement</i>

Library awards. Student given praise or star sticker.

### Examples of Consequences:

#### **WSS & MOE Stepped Approach to Behaviour Management:**

- Parents sign the Home-School Contract on joining WSS, in which parents agree to support the school's discipline policy.
- Students are expected to learn from their mistakes & reflect on 'how to do better next time'. Students who repeat irregularities & receive more than one WL would have an IBP (Individual Behaviour Plan) managed by Head of Inclusion/GC.
- Staff monitor & follow-up behavioural issues in a fair, consistent manner. Incidents are reported in the students' Planner &/or recorded using the Incident Report (IR) format, which is filed in the student's Portfolio. Multiple Planner notes/Incident Reports over time & serious safety issues would lead to a Warning Letter.
- From the initial Behaviour Marks, deductions can be made for violations of 4 different categories, depending on the seriousness of the violation. Points are deducted depending on the category of the violation, at 2/4, 8, 12 & 20 points each violation. Deductions & Outstanding Points are totaled at the end of each Term & Year. Details of categories & example violations are below.
- Warning Letters are issued immediately for serious violations (such as fighting or cheating in exams) or due to repeated irregularities over time.
- **After 2 Warning Letters**, a child's re-enrollment would be blocked & the child would be 'On Probation'.
- **Students whose behaviour does not significantly improve would not be readmitted for the following academic year.**
- The following table outlines the general stepped approach to discipline. However, the route may be fast-tracked or reviewed considering the level of violation.

**Example of Behaviour Violations (as per MOE Bilo, 2018-2019) for FS-Y3**

1. Being late for more than 10 minutes

- Teaching time should not be disrupted, so if the fruit basket/fruit snack arrives after Break time, it will be distributed during the last 20 minutes of the school day.

## Blooms Taxonomy of Higher Order Thinking Skills

Learning & thinking are so much more than just memorising facts. Blooms identified **6 levels** of higher order thinking, which we aim to reinforce through lesson activities, questioning, tasks & Home-Learning:

Working towards expected level		Working at expected level		Working at greater depth	
➤ 1. Knowledge	➤ 2. Comprehension	➤ 3. Application	➤ 4. Analysis	➤ 5. Evaluation	➤ 6 Creating

## Books & Resources

- Books & basic stationary items are available from the school bookstore.
- Our textbooks are British curriculum-specific, though some are printed in-house.
- Students need to **cover & label their books** (plain paper or sticky-backed plastic is recommended).
- **Graffiti of any kind is not allowed.**
- Primary-Secondary students are encouraged to have a **locker** to store their books in, to reduce the weight of their daily bag.
- Supporting the Environmental; plastic bags are being phased out across the Emirates & must be charged for. **When purchasing books from the Bookstore, to avoid bag charges, we recommend that you bring your own recycled bags.**

## Bus Transport

Bright Bust Transport (BBT) school buses are available to pick and drop students to/from their homes (or as arranged with BBT) on *certain* routes. Meet the BBT Customer Care Executive for details of available routes, cost & timings.

- Bus locations are reviewed at the start of each year, so **before enrollment, do please check whether the pick-up/drop-off location that you need is available. School fees (including the Seat Booking & re-enrollment fee) will not be refunded due to transport issues.**
- If you require a **temporary change of home-time transport arrangement** on any day, please **email your instructions in the morning to the Class Teacher/Form Tutor** & contact Reception for the below form at **least one hour before home time.**
- **To avoid misunderstandings, changes to arrangements will not be made over the phone.**

### Home-Time Bus Policy

Boarding the bus late delays drop-off times for all students, which is unfair on others. Please note following process for late boarders:

1. Teachers will release children on time at home time as per their staggered, SLT-given timing.
2. Bus students must go directly to the bus (or quickly via the washroom) & board. They will not be allowed off again.
3. Bus gates will close 10 minutes after dispersal bell.
4. One designated Bus will honk horn 3 times for a 2-minute 'board the bus' warning.
5. Bus doors close after a further 5 minutes. Boarding will not be allowed after this.
6. **Children trying to board 15 minutes after the dispersal bell will get one warning** (Driver/Conductor will inform parents that their child came late, which causes unacceptable delay to others, so will lead to missing the bus next time), then **next time they will not be allowed to board the bus & will have to be collected by a parent.**
7. Buses leave promptly.

### Bus Code of Conduct

**Safety on the bus is essential.** Dangerous behaviour is not acceptable due to **safety considerations.** We must be safe & sensible at all times:

**Our 3 Bus Rules; 1) Sit Safely (seatbelt, if available) 2) Quiet please 3) Manners**

### General Bus Safety Rules:

- Stay seated safely (with seatbelt on, if available)
- Follow directions given by WSS staff
- Talk/play music quietly
- FS1-Y5 students must be met at the drop-off point by a designated adult with an ID card. If no one is there to pick-up, child will be taken back to school for parent pick-up.
- Bring ID card each day

### Being Safe & Sensible Behaviour on the Bus Means:

- I behave sensibly so as not to distract the driver.
- I stay sat down in our place with our seat belt on while the bus is moving.
- I never throw items inside, or out of the bus.
- I talk quietly, using polite, respectful language to all.
- I am kind to others – no bullying or fighting.
- My litter goes in the bin, or stays in my bag.
- I take care of the bus so there is no damage to the bus.
- I am sensitive to others' needs for space and quiet.
- I am punctual, so the bus arrives at school, & leaves school, on time.
- I bring my bus ID. card daily.
- For health, safety and hygiene reasons, eating on the bus is not permitted.

### WSS Stepped Approach to Bus Behavior Management

<i>Example of Behavior</i>	<i>Action by WSS Staff</i>
<p><b>For safety-related behavioural issues:</b></p> <p><i>Behaviour that is not safe or sensible; troubling or being disrespectful to others, moving around out of his/her place, not listening to the Conductor, distracting the driver, potentially dangerous for self or others.</i></p>	<ol style="list-style-type: none"><li>1. <b>Verbal warning</b> by Conductor/Driver</li><li>2. <b>Behaviour Record Log:</b> WSS bus Conductor will record incidents in the Bus Behaviour Log.</li><li>3. <b>Student Planner;</b> Conductor may write Planner notes or make calls to inform Parents of any safety/behaviour issue for their support &amp; follow-up.</li><li>4. <b>Incident Slips;</b> Serious or repeated incidents will be forwarded to BBT CCE for follow-up. These are filed in the student's Portfolio</li><li>5. Repeated or serious safety-related behaviour issues will result in a <b>Temporary Bus Ban, then Term Bus Ban, then Permanent Bus Ban.</b></li><li>6. <b>Fighting or abuse of any other person on the bus will lead to immediate bus suspension.</b></li><li>7. <b>Verbal or physical abuse of staff or other children by parents is not allowed.</b></li><li>8. <b>It is strictly not allowed for parents to confront any other person's child, or to climb aboard the bus to confront staff or students.</b></li></ol>

- Use of the school carpark is subject to availability of space & following safe parking & driving rules.

## Charity

As per MOE/SPEA approval, we may have fund-raising events for charity to support MOE/SPEA-approved initiatives (such as for the 'Red Crescent'). School charity collections for money may only be done with Authority approval.

## Class Transfers (Class Change)

- Class & teacher allocation are done considering the best interest of all our students to ensure that our **classes are balanced** (numbers, Arab Regular/Special for Arabic lesson timetabling, male/female, SEND Students of Determination, etc).
- **Parent requests for Class transfer will always be considered & follow our review process, but may not necessarily be possible due to balance of classes, or for social/academic concerns.**
- Should you feel a change of class is required please note the following process:
  1. Parent meets the PRE & completes a Class Transfer request form (see below).
  2. PRE forwards the Class Transfer form to the concerned staff to check for seat availability, class balance & social/academic requirements.
  3. Concerned staff return the form to PRE, who informs parent what is possible.
  4. **This process takes 1-2 weeks. Immediate transfers are not possible.**

## Commendation Certificates

- These are awarded to students who have excelled in various areas of school life (academic/social), have demonstrated community service, or contributed to school/team/class initiatives/development.
- **Parents, please feel free to share achievement/success stories & pictures with the Principal for publishing in the weekly school Newsletters. We love to celebrate success!**

## Communication

Effective home-school communication is key to our children's success. We generally use **email** (you will be given

the teachers' work email), system access & SMS. **Communication methods include Techer emails, the Parent Handbook, weekly Newsletters, Coffee Mornings, your online portal, Curriculum Letters, and other email/SMS communication as required.**

- **Please keep school informed of your correct contacts** to ensure we can communicate in case of emergency or as required.
- **Most communication will be online, so please keep us updated with your current email. It would be very inconvenient for parents if critical deadlines were missed due to wrong email on the system (such as re-enrolment).**
- Please note that **staff will respond to communication within 2 working days. Staff may not be free to access work emails during the weekends & holidays,** so please communicate on working days.
- Please **check your email Inbox & Weekly School Newsletters weekly.**
- Newsletters include important Diary Dates & policies, so please read them carefully each week to keep yourself updated.
- Staff **personal mobile numbers will not be given** out.

## Complaints & Concerns

Our team are dedicated professionals, & we hope that you enjoy a positive relationship with the WSS family. However, if there is any misunderstanding or concern, please note:

- Communication between home-school should **always be in line with our Code of Conduct, based on mutual respect. Any form of abuse to staff (directly, on Social Media, or to a third person, written or verbal), including insults, defamation of character, shouting, bad language etc. is unacceptable & will lead to disciplinary action.**
- If you have any complaints about a WSS staff member, please bring them to the school management for our follow-up.

## Computers & IT Devices

IT is an important & daily part of our children's lives. The school promotes IT literacy to support development of student ICT skills & to improve teaching & learning. All Primary-Secondary students are required to bring a personal BYOD device to school.

- **Primary-Secondary students need to bring a Laptop or other accessible device to school as per Teacher information, plus have access to the internet & printer at home** for accessing learning resources, HL, Reports, Projects, Research, Virtual Meetings, communication, Newsletters etc.
- The BYOD (Bring Your Own Device) programme is subject to parents signing a contract to promote safe, responsible IT usage. IT lessons develop IT literacy & Digital Citizenship, & students may be given IT-based projects & research as part of their learning in other subjects.
- Please only send in a laptop or other electronic device to school if requested by the teacher.
- Electronic items are sent in **entirely at your own risk. WSS accepts no responsibility for their loss, theft or damage.**
- Misuse/inappropriate use of IT is a serious disciplinary issue.

## Curriculum

- We follow the English (British) National Curriculum.
- We aim to **meet the individual learning needs of each student.**
- We aim to ensure that students are able to be **independent, self-confident, inquisitive & life-long learners**, with the skills & attitude to meet the challenges of a fast-changing environment in a global context. Students are encouraged to engage and work **effectively** with others.
- Learning needs are identified and learning organised so that it is **meaningful** for the students. Students are **supported** in their learning and to take on **responsibility** for their own learning.
- Learning is strongly influenced by the **quality of the relationships** & teamwork between students, home and teachers.

### **Arabic & Islamic Studies**

- Arabic, Islamic Studies, Moral Education (ME) and Social Studies curriculum are aligned to Ministry requirements.
- **An Arab passport holder must study Arabic for Arabs.**
- **A Muslim student must take Islamic Studies.**
- Non-Muslim students are taught PSHE rather than Islamic Studies.

## THE CURRICULUM (English National Curriculum)

### Early Years:

The English Early Years (EYFS) Curriculum covers **7 main areas of learning**:

1	Personal, Social & Emotional Learning	5	Literacy
2	Understanding the World	6	Mathematics
3	Communication & Language	7	Expressive Arts & Design
4	Physical Development		

We facilitate our students on their journey of learning in the **7 Areas of Development** through engagement, exploration and by stimulating their creativity. We provide a sound foundation of the four skills of language; speaking, listening, writing, and reading. We emphasize that students develop these skills in English and Arabic (Y1) at their own pace and progress to reach age-appropriate achievement targets. We have a well-structured & well-paced reading programme, involving knowledge and understanding of phonics and sight words. Number Sense is developed through teaching pre-number concepts and with focus on a hands-on experience. Science and awareness of the environment are developed by experiential learning, with educational trips to reinforce these concepts.

**Year 1:** The main course books for core subjects are chosen from International/UK Publications (with some school workbooks to supplement). Curriculum planning ensures continuity and progression of concepts and skills in each subject throughout the school. **Projects, group games, & multimedia are used extensively to enrich the teaching and learning experience in class.** School publications are printed to support the practice and reinforcement of topics like **spelling, mental maths, lab. skills**, etc. Students will learn cursive **handwriting** through a pattern writing of curves and joints pattern, progressively introduced in every grade. Students weak in English may be required to attend the English Language Learner's (ELL) Programme for additional support.

### Junior & Primary Sections; Key Stage 1 (Year 1-2) & Key Stage 2 (Y2-Y6)

The learning process in the Junior & Primary Sections is child-centred, experiential, and applications-orientated. Establishing foundation and consolidating learning is stressed in an environment that is caring, practical, related to real life, nurturing and enjoyable.

### Secondary Section; Key Stage 3 (Y7-9) & Key Stage 4 (Y10-11)

KS3 programme consolidates and reinforces the educational foundations established in the Junior & Primary Sections. The learning process focuses on individualised student needs and extending academic expectations. Students are encouraged to take greater responsibility for their learning, working with increasing independence & confidence. Students in Y11 take UK IGCSE examinations.

### Key Stage 5 (Y12-13, Sixth Form)

- Sixth Form is an ‘A/S’ & ‘A’ Level programme, external UK examination board (such as the Cambridge Board).
- **To join our Sixth Form programme, students must achieve 5 IGCSE exam passes (A\*-C Grade) including a B Grade in the subjects they wish to study at A/S & ‘A’ Level.**
- **Failing to meet the below criteria will mean the student is unable to be promoted to the following Grade.**

- **Ministerial Resolution No. (199) of year 2019 will be applied starting from academic year 2021-2022:**

Wilful or negligent damage to school, bus or others’ personal property by any student, parent or visitor is unacceptable & will be charged.

### Documents & Photocopying

- If you require any individual document from school, other than online Reports or emailed learning material, there is an admin. charge of **AED21/-** (including VAT @ 5%) **per document**, payable at the Cashier. This charge would apply to such documents as transcripts, recommendation letters & Bonafide Student letters etc.

### Drop-off & Pick-up Policy

- **After 8am all parents/visitors must report to Reception** & not go inside school, as this disrupts teaching & learning, & raises safety & security concerns. **After 8am, there should be no parents/visitors inside school (except for Junior pick-up).**
- **Please report to Reception for a Parent Pass to attend any special assembly or programme inside school.**

- **The school gate opens at 6am.**
- Students arriving from 6-7:20am wait in the front forecourts with WSS staff supervision. Students must wait quietly & safely. Running about in the Forecourts is dangerous (very hard surface) & not allowed.
- **The school doors open at 7:20am.**
- 7:20-7:45am; after the first week of school, only Junior parents may drop off their child at the class.
- At 7:45am the East & West Lobby Doors will be locked, so **late children need to enter by the main Reception door** & sign in 'Late' at Reception.
- After 7:45am, Junior students will be escorted to class by WSS staff.
- **Being repeatedly late is a discipline issue.**

### Early Pick-up/Early EXIT Pass & Home Time

Missing learning time affects students' achievement & grades, so we discourage parents from taking their children out of school early. However, if you have some emergency please:

1. Report to Reception for an Early Exit Pass (see below) at least **1 hour before normal finish time.**
  2. Complete a 'Early Exit Pass' & wait in Reception
  3. The receptionist will have your child brought to Reception.
  4. On exiting school, parent will give Security Guard the slip to allow child to leave.
- **It is not allowed for parents to go directly to class to take your child.**
  - **Late requests for Early Exit Passes cannot be accommodated** as the Support Staff are not available to go to classes as they leave for Bus duty.

# Floor Plans (WSS)

## Gate Timings

The school gate usually **opens at 6am** on school days (8am during holidays). **For health & safety concerns, never leave unaccompanied children outside the school gate before opening time, as traffic is very dangerous & school is not responsible.**

## Gifts

Although there is no expectation of gifts, there may be times when you would like to show appreciation to your child's teachers. Gifts up to the value of \$100, such as flowers or chocolates etc. are appropriate, but staff are not allowed to accept anything more expensive. Appreciation emails & cards are also very encouraging & motivating for teachers! Thank you.

## Glasses

It is highly recommended to only **use plastic lenses in children's eye glasses** in case of breakage.

## Hair

In school, students' long hair (past shoulder length) should be **tied back with school uniform clips & ties**. This keeps the hair out of the eyes & helps reduce the risk of Lice infection.

## Head Lice

As in all schools, at times we discover cases of head lice, which are extremely contagious. Please note:

- The Clinic will do Termly hair checks (& as required).
- If lice or nits (eggs) are found, the student will stay in the Clinic, & parents will be called to take the child home. An information letter will be shared with tips about clearing them up (special shampoo & daily combing with a special comb & conditioner to remove all lice & nits).
- **Children found with head lice/nits will be asked remain at home until clear, as lice spread very quickly through school.**
- Before the child is admitted to class the Clinic must check the child is free from lice & nits, then gives a Class Admit slip. **Students found to have lice/nits will be unable to rejoin class until completely clear.**
- A bus **student found to have lice or nits will not be sent home by bus**. For others' health & safety, the parent will be asked to collect the child from school.

## Health, Safety & Safeguarding

Child Safeguarding is our #1 priority! Health & safety is the responsibility of all the WSS community. Please note the following:

### **Banned Dangerous Items**

For Health & Safety reasons, please **do not allow your child to bring in any of the following, or similar items**. Bringing such items is dangerous, so is a disciplinary issue.

<b>Sharps</b>	<b>Allergies</b>	<b>Hazardous</b>	<b>Other</b>
<b>Knives, Sharp scissors, Paper cutters</b>	<b>Nuts</b> (due to possible fatal allergies)	<b>Glass items, Flamable items</b> such as matches, candles or lighters, <b>Poisonous chemicals, Perfume, sprays, foam sprays,</b> or any other chemical that could get into the children's eyes & hurt them.	<b>Tiny items that could be a choking hazard, Pets &amp; other animals Caps, poppers, fireworks etc</b>

## Clinic & Medical Issues

- Always **keep your sick child at home**, for his/her health & as germs spread quickly to other children at school.
- **Never send children to school if they have a temperature.** Students with a fever (a temperature above 37.5°) or any one flu-like symptom will **not be admitted to class, will be sent home & required to do a PCR test.**
- **Visitors to school will not be admitted if found to have a fever (a temperature above 37.5°).**
- Your child may bring a small, personal bottle of **hand sanitizer** to school, if you wish. Please teach you child to keep it in the bag & use it responsibly to avoid it getting into eyes.
- **Hospital trips – in case of a medical emergency requiring your child’s urgent hospitalization, the school Clinic will call an ambulance to transport your child to the hospital,** if parents cannot get to school in time. Parents would be informed & the child would be escorted by Clinic staff, according to patient’s condition as determined by the Dr.
- An **ambulance would only be called at the Doctor’s discretion in case of critical medical emergency.**
- The school nurse maintains students’ medical files. Every student has a medical file and a log is kept of all treatment. Teachers send sick/injured students to the Clinic, which provides care and treatment and informs parents.
- **Parents need to sign a ‘Consent to treat’ form in order to receive WSS Clinic treatment.**
- Children returning to school after a serious or contagious accident/illness (including Lice) first need to get the following **‘Fitness to Return to Class’ certificate signed by the Clinic before joining back to class:**

	<h3>Student Fitness to Return to Class</h3>		<b>Date of Examination:</b>
			<b>Time of Examination:</b>

## COVID-19

- It is an Authority requirement to inform the school (please inform Class/Form teacher & clinic) of any COVID-symptom absence of your child, plus in the case of your child being a Close Contact or Confirmed Case of COVID.
- If your child is absent or sent home from school for having any COVID symptom, your child must submit a **negative PCR test** report to the Clinic before rejoining class.

## *E-Safety (see also E-Safety Policy & BYOD Agreement Policy)*

Children and young people commonly use electronic equipment, including mobile phones, tablets and computers on a daily basis to access the internet and share content and images via social networking sites such as Facebook, Twitter, MSN, Tumblr, Snapchat and Instagram. These technologies and the internet are a source of fun, entertainment, communication and education. Unfortunately, however, some adults and young people will use those technologies to harm children, for example sending hurtful or abusive texts and emails to grooming and enticing children, webcam photography or face-to-face meetings. Students may also be distressed or harmed by accessing inappropriate websites that promote unhealthy lifestyles, extremist behaviour and criminal activity. Chatrooms and social networking sites are the more obvious sources of inappropriate and harmful behaviour and students are not allowed to access those sites in school. Many students own or have access to hand-held devices and parents are encouraged to consider measures to limit & keep their children safe when using the internet and social media at home and in the community.

- Please **inform school if you do not wish your child's picture to appear in Social Media**
- Students should be supervised while using the net, at home and school.
- DFES guidance is available at <http://www.safety.ngfl.gov.uk>
- Students may bring personal BYO devices to school for educational purposes with parent plus SLT approval, & after parents & students sign the school's E-Safety Agreement letter.
- **Fab. 5 Rule #1; We Do Our Best** • Students will use the Internet for planned educational purposes/activities only.
- **Fab. 5 Rule #2; We Respect Each Other** • Students will not use the Internet, email, mobile phones or any other ICT equipment to be mean, rude, or unkind about other people
- **Fab. 5 Rule #4; We are Safe & Sensible** • Students should never enter any personal information about themselves (or others) on the Internet.
- Students are expected to use their common sense and not access or share inappropriate material on the Internet
- If unsure of their online safety students will ask an adult for assistance.
- Teach your child to switch it off & tell parent/teacher if they inadvertently accesses anything inappropriate.
- All staff receive online safety training.
- If you have any e-safety concerns please contact your Section SLT or **E-Safety Leader/DSL Ms. Rema [rema.p\\_wss@gemsedu.com](mailto:rema.p_wss@gemsedu.com)**

## WSS Code of Conduct

- **Our Code of Conduct includes e-safety incidents. WSS also has E-Safety Policy & BYOD Agreement Policy.** Cyberbullying and inappropriate messaging by students will be treated as seriously as any other type of bullying and will be managed through our anti-bullying procedures. Serious incidents may be managed in line with our child protection procedures.

## Online communication between staff and students

- WSS staff must follow strict rules relating to personal online activity, use of social networking and electronic communication with students.

- WSS staff may use only school email and website addresses for school work and communication, and never personal ones.
- Do please let school management know immediately if you have any concerns with staff safeguarding behaviour; staff found to be in breach of these rules would be subject to serious disciplinary action.

## Food & Snack (see also Birthdays & Parties')

- Please send **only healthy food** to school for snack/lunch, Birthdays & other events. Junk foods with high fat & sugar, or that are highly processed, are unhealthy & can contribute to diabetes, obesity & hyperactivity in some children. If your child brings these foods (fizzy drinks, chips, chocolates, sweets, cake, biscuits, pastries) to school the teacher will:
  1. Give a verbal warning & send home.
  2. Planner note
  3. Confiscation of junk party food
- Healthy food suggestions; sandwiches, pasta, rice, noodles, oat bars, fruit, sugar-free juices, milk, yoghurt, cheese, vegetables etc.

## Illness

To concentrate and function effectively at school, your children must be in good health. It is therefore important that a sick **child must rest at home. A fitness certificate must be submitted to the Clinic after complete recovery, before returning to class.** This is to reduce cross-infection of other students.

In case of fever, serious injury or illness, the medical team will:

- **Keep the child in the Clinic, to be collected by the parent.**
- **Require a PCR test**
- **Student with a fever (above 37.5°), or infectious disease will be sent home.**
- **The student will not be sent back to class or home by Bus, to protect the health of the other children**
- **Treatment decisions are made by the Doctor & are non-negotiable.**

## Communicable diseases:

- The communicable diseases commonly seen in schools are Conjunctivitis, Chicken Pox, Measles, Influenza, Hand Foot and Mouth disease, gastroenteritis, seasonal flu, etc.
- If a student develops signs and symptoms (fever, rash, vomiting or/and diarrhea etc) of suspected communicable disease, She/he should **be seen by doctor and rest at home for the duration of illness.** The time period for each condition varies, so we request that a child receives a proper care at home as long as required.
- Upon returning to school **a fitness certificate by attended physician or pediatrician (medical report from the treating physician stating that the student is fit to join school on(date) must be provided to the clinic.**
- If the child returns to school prior to the completion of the recommended isolation period as recommended by his treating physician, **parents will be requested to take their child home.**
- The clinic team has to be informed as early as it is possible of any case of communicable disease regarding WSS staff and students.
- In case of communicable disease among students, all students of the concerned class will be examined by doctor, and the measures will be taken by school to control and to minimize the transmission of the infection.
- The Authority's Preventive Medicine Department will be notified about the situation. A parent notification letter regarding the condition will be sent to parents if required.

## Other Peoples' Children

- **It is strictly forbidden for any parent to speak directly to, or touch, other peoples' children, except with their parent's permission.**

## Safeguarding; Expectations of Behaviour

**Staff are not allowed to do any of the following. If they do so, please immediately report the incident to school management (Safeguarding rules apply to all members of the WSS community, including parents. **Incidents of abuse of children/staff would be reported by WSS to the authorities**):**

<b>Entering into/encourage/support or conduct any kind of relationship (physical or non-physical) with a student outside the strict professional limits of their job description.</b> This includes touching inappropriately, suggestive comments, lifts in own transport, personal communication, such as on Social Media websites, phone calls/SMS, private meetings, emails unrelated to school work, giving car lifts, gifts other than as approved by Section SLT as per policy, social activities outside school, visits to home etc.	<b>Any form of physical (corporal) punishment</b>
	<b>Any form of emotional abuse, such as sarcasm, humiliation, swearing and screaming,</b>
	<b>Breaking confidentiality</b> about any student (family), colleague, GEMS or school information except with concerned staff & SLT. It is not allowed <b>by law for anyone</b> to spread rumour/gossip, share confidential information or defame anyone, or any organisation on Social Media.

## Security; Parent ID Cards

- **Wearing your school ID is mandatory to be worn and visible at all times when on site.**
- Any Y3-13 parent wishing to access the school grounds must have their school ID card with its **yellow** lanyard.
- Junior parents will be issued with a **red** lanyard, which allows them to the class for drop-off & pick-up.

## Home-Learning (HL) (Homework)

Teachers will assign HL according to the scheme of work and students' needs, which includes a balance of reading, revision and writing. Only revision HL is assigned during revision/test/exams days.

Most HL is optional (though highly recommended). However, some is assessed as part of the Term's Continuous Assessment Report Grade, so if your child could not complete his/her compulsory HL, please write a note to the teacher in the Planner explaining the reason, so that the teacher can follow-up.

## Home-School Contract

As per Authority requirements, all parents sign a Home-School Contract on admission & then Annually. The Home-School contract is binding. Failure to comply may lead to the blocking of the re-enrolment facility for the following Academic Year.

## House System & Housepoints (HP)

We believe in positive discipline based on respect, so that your child is able to make safe &

sensible choices, & develop into a self-determining, responsible person. Our system includes rewards for good behaviour & achievement, & appropriate consequences for failing to follow our Code of Conduct.

Students belong to one of four Houses (**Scorpion (red)**, **Dolphin (blue)**, **Arabian Horse (green)** & **Falcon (yellow)**). Students earn Housepoints for success in sporting & other competitions, showing improvement, positive attitude, good & consistent achievement in behaviour, conduct, academics, class participation, projects, and positive involvement in school life, leadership etc. At times HP could also be deducted. House Points, HP certificates and other awards are presented in Assemblies.

Every year, students are selected, after nomination, elections and interviews, to take on leadership roles to lead their peers & House. Roles include Class Leaders, Student Council Members, Houses Captains and Vice Captains (girls & boys), Head Boy/Head Girl & Deputy Head Girl/Boy). They supervise Break duties, committees, activities and support during school events.

- Housepoints are added up & **certificates** awarded for Toppers.
- Housepoint totals are collated to find the Termly and annual winner of the House trophy.
- Character & House Leaders organize Inter-House competitions.

**Students can earn/lose points in the following ways:**

**Number of Housepoints (HP) to be awarded for any one achievement:**

**HP can be awarded for:**

|---|--|

**Other Rewards**

- Certificates for 100% attendance, Commendation Certificates, Housepoint certificates, etc.
- Positions of responsibility.

**ID. Cards**

For safety & convenience, all students will be issued with a free identification card (ID) for use in school, the **bus & Library**. This should be **worn to school daily**. The card will be issued free of cost, but replacement cards will be charged at approx. **AED21**. Failure to wear the ID card is a health & safety risk, therefore a disciplinary issue.

**International Mindedness**

An important part of our ‘hidden curriculum’ is to develop character & Wellbeing, & to promote respect, tolerance & understanding of different cultures, languages, individual & religions differences (World Citizenship). We do this through the ME & Wellbeing curriculum, assemblies, shows, Sports Days, events & activities. Intolerance, Bullying & discrimination are illegal & not accepted at WSS.

## Laboratories

- Science should be taught through practical activities, so Lab-use for practical activities is a regular part of the science curriculum.
- Health & safety are a priority.
- Older students should bring a Lab. coat for practicals.

## Lateness & Punctuality

WSS Daily Timetable and Timings 2021 – 2022 (wef. 17/1/22)											Updated 6/1/22
Whole School Reg – Education starts 7:30am	Session 1	Session 2	Session 3	Break time	Session 4	Session 5	Lunch break	Session 6	Session 7	Session 8	Reg. & Dispersal

- Learning to be punctual shows responsibility and successful, professional practice.
- Punctuality is a good habit for life!
- Students are expected to arrive at school, for duties and lessons punctually. **Arriving late disrupts learning & is a disciplinary issue.**
  - The **school day begins at 7:20am for students. Registration time (7:20-7:45am)** is an important time for the Form Tutor (Class Teacher) to develop positive relationships, discuss important notices, attend Assembly, take tests & Quizzes, check Planners and follow-up with students.
  - We follow a stepped approach to discipline, including the reinforcement of punctuality, as follows:

<i>Student arrives at:</i>		<i>Action</i>

Dear WSS Principal,

Due to emergency, unavoidable reasons, we request Term-time leave for our child/children as a special case.

We understand that:

- **Insufficient attendance is a disciplinary issue.** Leave during Term time would only be approved for extreme emergencies (eg. **medical reason, death in the family, family travel for urgent reasons, etc.**). A **Medical Certificate/Acceptable Evidence** needs to be provided along with the Leave Application.
- **Missed Term exams** (except with student's Medical Leave Certificate) would be given '0' marks towards the **Term Report**, which would therefore be a maximum of a Pass mark only. If the child has a Medical Certificate for missed exams, then a Continuous Assessment mark will be given on the Term Report. As per SPEA, attendance of T3 Promotional exams is compulsory.
- **School will process this Leave form subject to the clearing of all pending school fees.**

## Leaving WSS (see also 'Fees')

Completing MOE processes when a child changes school takes time. Parents who wish to take their children out of WSS need to:

- 1) **Online application for a TC should be done by the first week of June for end-of-year leavers due to summer leave. Late applications will delay completion of TC after the summer Break.**
- 2) Clear all outstanding fees
- 3) Apply & pay for a TC through their online portal
- 4) SPEA attests the TC, as arranged by GRE.

## Library

Our 2 school Libraries are managed by full-time librarians, providing a selection of reading material (in English, Arabic & French) library competitions, newspapers, reference materials, fiction, non-fiction books and computer & internet access. Borrowing Library & Reading books is a part of our compulsory curriculum.

- All children visit the library with their teacher once a week to borrow new books or read together.
- A library period is part of every student's Arabic & English curriculum.
- A **replacement charge will be levied for lost (not returned) or damaged books (including reading books).**

## Lockers

- Primary-Secondary students are allocated a school locker for that academic year.
- Books, spare stationary & learning materials for school may be stored in the locker. **School is not responsible for lost items.** Students are responsible for providing a padlock & keeping the locker clean & tidy.
- Decoration/graffiti is not permitted.
- **Damage to the locker & loss/damage of locker key will be charged.**

## Lost Property

- Items of lost property are deposited in the **'Lost and Found' cupboard in East Lobby.**
- Valuable items are kept in the safe by the MSO.
- Non-collected items are sent to charity at the end of each Term.
- Please **name all your child's belongings** (a CD marker pen on the label works well), so that lost items can be returned to your child if found.

## Marking

- WSS has a Marking Policy. Regular marking should involve responding to students' progress & achievement regularly to a subject-appropriate level, signing & a WALT/LFQ/WILF-related comment at the end of *some* extended pieces of work, with target-setting for 'next steps'.
- **Not every piece of work will be marked.**
- Marking will not be done every lesson.
- Not all spelling mistakes will be corrected, depending on the subject & Learning Objective.
- Some work will be **self or peer assessed** to encourage more reflection on the learning & success criteria.
- **Students are expected to reflect on & respond to the teacher's marking comments, as these outline & guide 'next steps' in learning.**
- If your child's work is not being marked regularly, please contact the Section SLT for follow-up.

## Medical Facilities (see also Health & Safety)

- The school's 2 Clinics are located on the ground floor opposite the Bookstore.
- We have four nurses and two full time doctors.
- If you have any concern about the health of your child, please feel free to contact the medical team.
- The Doctors' decisions related to all health & MOH matters are final.

## Accidents and Emergencies

- When your child requires emergency treatment, every effort will be made to contact you. To assist with this,

please **keep school informed of any changes in your contact details.**

- In the case of a serious emergency, the school's doctor will call an ambulance & the child will be transferred to the government hospital (usually Al Qassimi Hospital).

### **Immunization & Vaccination Programmes**

- Every effort should be made to have your child's vaccinations up-to-date prior to them starting WSS.
- The Ministry of Health requires that you submit your child's vaccination record to the Clinic. This will be checked against the U.A.E. immunization schedule and you will be advised of any due vaccinations.
- Students must be vaccinated at school as per Ministry of Health policy. **Please sign & return any consent forms within one week to the medical team.**

### **Medical Checkup:**

- The Ministry of Health requires school to give students full medical examinations & eye tests at certain times, & for new students on joining. These are carried out by the school doctor and are basic, non-invasive procedures.
- You may receive a 'Referral letter' if your child is diagnosed with any medical problem.
- We recommend that you continue regular medical & eye checks with your family medical practitioner as well.

### **Medical Approval Forms:**

- At the start of each academic year, you will be required to complete a medical form. Please return promptly with all required medical information.
- It is very important that the school is made aware of any medical condition or special needs that your child has and/or any medication they are on. This will help us in case of emergency treatment. The forms are as follows:
  1. School Health **General Parent Medical Consent** form, as found in **the Student Planner. As per MOH rules, school is not allowed to provide medical services without it**, except in emergency situations. All student to submit this on admission & at the start of each academic year (*see Form 1 below*).
  2. **Parent Consent for Medical Condition Management & Medicine Administration.** This is to be filled for students with any **medical condition & those who require medicine to be administered in school** (*see Form 2 below*).

## Music

Music is part of our curriculum, with assessment marks awarded. However, if you do not wish your child to participate due to a religious reason, please write the teacher a note. Your child will sit at the back of the class & does not have to participate. In this case it would not be possible to grade for music. However, please note that singing the UAE National Anthem & school song is a regular part of school assemblies & events & all students are expected to stand smartly & sing these respectfully.

## Newsletters

- School Newsletters are published regularly by the Principal (usually weekly & emailed & posted on the school website), **to inform, update, celebrate success & to share students' learning** with parents.
- Please read them to ensure that you keep **up-to-date with important dates & information**.
- Feel free to share pictures & information about your child's achievements with the Principal for publishing in the Newsletter.

## Notebooks

- All student books should have the student's **name, class & subject** written on the front cover of all their books.
- Please cover with **transparent plastic or plain brown paper** (or other suitable covering).
- **Graffiti** on books is unacceptable.

## Parents

Parents are an integral part of the WSS team, with rights & responsibilities as outlined in our Home-School Contract & defined in our Code of Conduct. We believe that **mutual respect & cooperative communication** are key to a successful, productive & professional partnership. Please note:

- We have an 'open door' policy, which means that if we are free, we will arrange to meet you without an appointment. However, we **recommend that you email us to make an appointment** to ensure availability.
- Parents are encouraged to attend our school functions/events. Please always report to Reception for assistance.
- Junior parents only may drop their children directly off at the class (7:20-7:45am) & pick up at end of day from classes, subject to carrying the correct ID Pass. All other parents & times, parents need to report to Reception.
- **It is strictly forbidden for any parent to speak directly to, or touch in any way, other peoples' children, except with parent permission.**
- All visitors (other than at regular drop off & pick up times) need to **sign in (at the main gate &/or Reception)**. Any visitor entering inside the school must also **take a 'Visitor Pass' from Reception**.
- **Verbal or physical abuse of any WSS community member is unacceptable.**

## Parent ID & WSS Parent Pass

- For the safety of our children, access into school for visitors is restricted. Anyone entering school premises must submit a picture ID (such as Emirates ID Card) to Reception & take a Visitor Pass. WSS Parents are issued with a **WSS Parent ID Pass**, so **please bring this with you if you want to go inside school for any reason** (Assembly, Coffee Morning Session, Sports Day, PTM etc.), as well as an **Al Hosn Green Pass** in times of COVID. Since our children's safety is a critical issue, please note that anyone failing to supply a picture ID will not be allowed inside the school.

## Parent -Teacher Communication

**Regular communication by the teacher (emails & Planner notes) to home is expected.** We believe that parents and teachers are **partners** in the educational process and we support **parental engagement** through the following:

- Using the Student Planner as a communication link
- Emails to teachers, PRE or SLT

- Feedback at Parent-Teacher Meetings (PTM)
- Attending school open days, events, activities & Coffee Mornings
- Meeting teachers, PRE, MLT/SLT, Head of Inclusion for discussion whenever necessary
- Active membership of the PPP
- Parents will be given their children's teachers' work email IDs, and are free to communicate regarding their children's progress & achievement, concerns, queries & information (such as COVID Positive/Close Contact cases, leave requests, family circumstances that may be challenging their children etc).
- Teachers must respond to your **emails within 48 working hours**. If they do not, please inform SLT for follow-up.
- Teachers & management will **respond to emails during working hours (7:20am-3:30pm) on working days (Sunday-Thursday)**.

## Parent-Teacher Meetings (PTM)

PTM are held at least Termly and notification is given by email/SMS/Newsletter, though you are welcome to request additional home-school meetings with Teachers/SLT as required..

- **5-7 minutes are allocated per parent** (after that, the teacher may ask if you wish to have another appointment at a later date to complete the issue. If other parents are waiting, the teacher must stop the meeting with you & offer you a future appointment).
- **Parents can request privacy** as required.
- **Our Code of Conduct is based on respect**; all WSS stakeholders have the responsibility & right to respectful communication. **Shouting or rudeness is unacceptable to/from any parent/Teacher**.
- **Confidentiality**; WSS staff are not allowed to discuss school issues, colleagues or other students/parents with anyone else. They are **only able to discuss your own child with you**. They are **not allowed to give out other parents', their own or other staff personal contact numbers** (only work email ID).

## Positive Parent Partners (PPP)

- The Positive Parent Partners is a voluntary group of parents committed to school improvement & parental engagement, who meet regularly to plan activities to support the school's development plan.
- The PPP's role is **not to discuss individual student/parent issues**; these should be directed to the school's Parent Relations Executive (PRE).
- The PPP is a support body, and does not directly interfere in operational matters.
- The aim of the WSS PPP is to foster parent-school-community cooperation, communication, inclusion & partnership & to support school's vision of '*Excellence Through Teamwork; Success for all*' through the development of **parent-school-community engagement**, to enrich the lives of all our children.
- The PPP works closely with the school to support school improvement targets, shares ideas, problem-solve & share expertise.
- Examples of PPP activities may be involvement in LAB membership, presentations to students or other parents, involvement in National Day and International Day, arranging learning-related activities for students, volunteering in class, sharing brilliant ideas etc. The list is endless!
- If you wish to join, please contact the PRE.

## Phones

Except during COVID Protocols, the use of mobile phones by students in school is against MOE rules, causes distraction & disruption, may be used for inappropriate photography & may be lost/stolen. Therefore, please note:

- **Unless otherwise agreed by WSS management, it is not permitted for students to bring a mobile phone to school (or any other device that takes photos)**.
- **WSS accepts no responsibility whatsoever for the loss/theft/damage to any electronic item/phone brought into school**.
- **If any teacher sees your child with a mobile phone in school/bus, it will be confiscated, & you will need to**

come into school to collect it.

- Random Bag checks may be done.
- **Phones taken into an examination room will be considered as 'cheating' & the student subject to disciplinary action.**
- In case of extreme emergency requiring your child to carry a phone to school, please **write a note in your child's Planner** & ask your child to **leave the phone with the Section SLT** for safe keeping for the day.

## Parties (see also Birthdays)

- From time-to-time we organise class parties for special occasions, such as end-of-year, National Day, International Day, Parental Engagement Week etc.
- Food contributions are always optional.
- If you send in food, please **send healthy options**, & stick to the requested items & amount for health & safety reasons & to avoid wastage.
- During COVID, it is not allowed to share food.

## Photocopying

**Black & white photocopying will be charged at AED1.25 per A4 sheet (including VAT).**

## Photographs

- Usually, a professional photographer visits the school each year to take student individual and class photographs, which are then available for purchase, if you wish.
- Parents are **not allowed to take photographs of other children/adults without the parents' permission.**

## Physical Education (PE)

WSS has an active sports programme, including inter-school competitions, school teams & ASP training (subject to COVID protocols):

- All students have weekly PE lessons, which include a range of outdoor & indoor games & sports.
- They can **come to school dressed in their PE kit on PE days.**
- If your child is not fit enough to participate in the PE lesson, please **write a Planner note.**
- Wearing PE kit for PE lessons is compulsory. Students wear the PE T-shirt of their House colour (allocated depending on their class).
- All students participate in an annual Sports Day.
- Older students may be invited to join the school teams to participate in inter-House & inter-school matches/competitions.

## Planners

We encourage regular communication between school and home as parents are our **partners in education**. The **students' Planner** is an excellent medium of communicating with the teacher about regular concerns and for sharing information.

- **Please read your child's Planner at least weekly, to check notices and sign any notes or circulars/letters of information & send it back with your child each day.**
- **Your child must bring their Planner daily as is a requirement. Failure to do so is a disciplinary issue.**

## Prayer Rooms

There are 2 prayer rooms on the first floor (one male, one female). Students are not allowed to go during regular lesson times or without adult supervision. Parents wishing to use one need to get a Parent Pass from Reception.

## Projects

Making projects is part of our students' curriculum/HL/HW policy. These can be for assessment or just concept reinforcement. Projects should:

- **Be student's own work** (not parents')
- Be written in the students' own words (not 'cut & paste text' copied directly from internet)
- **Student should understand exactly what the WALT/LFQ of the project is & be able to explain/talk about it to the class/Teacher & classmates in their own words.**
- Not cost a lot of money or involve many bought resources, unless you wish.
- Be portable (avoid huge, complicated projects unless for Innovation/Science Fairs). One sheet of A4 or A3 paper is fine (& is easy to display).

## Promotion to the Next Year Group; Criteria as per MOE rules (Subject to change)

- Primary students must obtain a pass mark of 50% in all subjects for promotion to the next Grade (60% for Secondary). If a student is failing in fewer than four subjects, he/she has to appear for the *Resit Exams*.
- Any student failing 4 or more subjects will be detained (subject to SPEA approval)
- Students failing fewer than 4 subjects will be retested (before end of the same academic year).
- Students failing in 4 or more subjects are detained in the current Year Group.
- Term 3 Report Grades are submitted for approval to MOE SPEA at the end of each academic year. Reports are published only after MOE/SPEA approval.
- Report publication is subject to all fee clearance, & Registration with SPEA.

## Reading

- This is one of the most important skills your child learns in school! Your Junior & Primary children will follow a reading programme.
- **We welcome parent volunteers to spend time in school as a 'Reading Mentor' with young children. If interested, please meet the PRE or relevant Section SLT.**

### *Supporting Reading at Home, Junior-Primary Students*

The more support that you are able to give at home, the better your child will do in school! Praise often, read daily - read to your child, or let your child read to you regularly.

1. Revise the *phonics* (letter sounds a-z) until your child is confident with them.
2. **Listen** to your child read daily, even if it is only for a few minutes.
3. **Discuss** what has been read (ask questions, talk about the pictures & new vocabulary, check that your child understands, ask your child to predict what happens next & say why).

## **Phonics**

- When children start at WSS we teach them the sounds of letters. As they learn other reading skills they do not need to rely on phonics, but until they reach this stage using phonics is an invaluable reading aid.
- There are two skills which must be learned: **1) learning to break words down and 2) learning to blend the sounds together to form words.** Even very small children are easily able to learn these skills.

## **Breaking up words**

You can play games to teach this. For example, say: "Point to the c a t". Don't say the names of the letters, but say their sounds. It should sound like "Kuh Ah Tuh" rather than "See Ay Tee".

## **Blending Sounds**

The object here is to be able to say "Kuh Ah Tuh", and hear "cat". When the child can effortlessly look at the symbols and 'hear' the word, he/she's a proficient reader. The only way to make this effortless is through regular

practice.

## The Phonetic Alphabet

Please use the following letter sounds when helping your child to learn the alphabet:

<i>a</i> as in <b>ant</b>	<i>b</i> as in <b>but</b>	<i>c</i> as in <b>cut</b>	<i>d</i> as in <b>dug</b>	<i>e</i> as in <b>egg</b>
<i>f</i> as in <b>far</b>	<i>g</i> as in <b>gate</b>	<i>h</i> as in <b>hut</b>	<i>i</i> as in <b>ink</b>	<i>j</i> as in <b>jug</b>
<i>k</i> as in <b>cut</b>	<i>l</i> as in <b>lump</b>	<i>m</i> as in <b>mum</b>	<i>n</i> as in <b>nut</b>	<i>o</i> as in <b>odd</b>
<i>p</i> as in <b>pink</b>	<i>q</i> as in <b>quick</b>	<i>r</i> as in <b>run</b>	<i>s</i> as in <b>sun</b>	<i>t</i> as in <b>ten</b>
<i>u</i> as in <b>under</b>	<i>v</i> as in <b>verb</b>	<i>w</i> as in <b>word</b>	<i>x</i> as in <b>axe</b>	<i>y</i> as in <b>young</b>
<i>z</i> as in <b>buzz</b>				

## Registration Time (morning)

- Registration time takes place each morning **7:20-7:45am**.
- Registration time is important as it is used for extra reading practice, Assembly, mental maths tests, spelling tests, Wellbeing Curriculum, etc.
- Repeated lateness is a disciplinary issue, as it impact on own & others' learning.

## Scissors, knives & Paper-cutters (see also Health & Safety)

- **Due to health & safety concerns, no sharp scissors, knives or paper-cutters, are allowed** in school.
- Equipment required for art lessons will be supplied by the school.

- Please do not send sharps to school with your child, unless the teacher asks older students (via Planner note) for specially designed, child-safe scissors for craft activities.

## School Song

GEMS Westminster School, Sharjah Song		
<i>Lyrics written by Ms. Valerie Thompson</i>		
1 <sup>st</sup> Verse	Chorus	2 <sup>nd</sup> Verse
Westminster School is the place for me, Where I'm the best that I can be. Learning each day the skills I need, For my future success.	<i>Taking my place in society, A leader wise &amp; fair. My talents flourish day-by-day, With all my courage &amp; strength. (With all my courage &amp; strength).</i>	Westminster School is the place for me, Inspiring my dreams of who I'll be. Together our team from all parts of the world, In harmony, friendship our future unfolds.

## Sports Days

Except during COVID Protocols, there are separate annual student Sports Days for each Section (scheduled in the cooler months). All students are expected to participate/attend/support their House. Parents are invited.

## Student Council & Student Leadership

- The development of student leadership skills is an important part of our 'hidden' curriculum.
- The Student Council has a representative from each class.
- The Head Girl & Head Boy of each Section lead the Student Council along with the Character Leader & Teacher House Leaders. They take the lead in duties, peer support, speeches at school events, organizing events, duties, etc.
- The Student Council meets regularly to discuss student-related issues & supports SLT with school events (eg. International Day, National Day, Talentastic committees, Y13 Graduation etc).

## Suspension

- For severe or persistent disciplinary incidents (such as fighting), students may be given a suspension.
- Internal suspensions are completed in school, when the student stays in the Success Centre with the TL/Guidance Counsellor for the day.
- During suspension, a student is not permitted to attend any classes or to participate in any extra-curricular activities.
- During the days of suspension, all school work & assessments (except external & Term exams) will be marked as zero.
- A student may make up work missed, and materials that he/she missed may be available to him/her, but no grade will be awarded for this work.

## Teachers

All our teachers are qualified & experienced as per MOE/SPEA rules, & get approved by MOE/SPEA & MOL. Please note:

- Teachers have different personal strengths to share with their children, so the class teacher will change each year to allow children to benefit from a range of skills & talents.
- Children benefit from balanced classes (age, ability, boy/girl, Special/Regular Arabic, etc.), so school assigns teachers according to student needs. It is **not possible for parents to choose their child's teacher** before their child joins.
- While we aim to keep the same teachers through the academic year, however, as in any school, at times a teacher may face unavoidable/emergency health/personal issues requiring early resignation or extended leave. In this case school would make timely & appropriate arrangements for their replacement so that there is minimal disruption to learning.

- School provides adult supervision/cover work for absent teachers.
- You will be given your child’s teachers’ email addresses for communication. Teachers are expected to respond **within 48 hours**.
- If your child’s teacher is unable to resolve an issue, you are welcome to contact the Parent Relations Executive (PRE) who is available to liaise between home & school.

## Transfer Certificate (TC)

For admission into a UAE & many other countries schools, parents need to produce an attested TC from the previous school showing either the child’s current Grade/Year (if mid-year transfer) or the Grade/Year that the child has been promoted to (if end-of-year).

Students who are leaving WSS must apply online for a Transfer Certificate (TC) to be able to join another school, to cease being liable for WSS school fees from the last day of attendance, & to withdraw their names from the school & SPEA systems. The TC application process is as follows:

1. Parent must apply & pay for the TC online through their Portal or at the cashier.
2. All school & bus fees must be cleared in full.
3. All school resources (such as Library books) must be returned (or paid for).
4. TCs **will take at least two weeks** to prepare (longer if the TC is applied for between June-September).
5. Once the TC is ready school will contact the parent to collect it.
